[8.] **Request for consolidation**

Following the criteria of the WIPO Center case-law (Case No D2015-0066), “*As stated in prior UDRP decisions, a consolidation of multiple respondents in a single proceeding may be appropriate, under paragraphs 3(c) and 10(e) of the Rules, where the circumstances of a given case indicate that common control is being exercised over the disputed domain names or the web sites to which the domain names resolve and the consolidation would be fair and equitable to all parties. See Speedo Holdings B.V. v. Programmer, Miss Kathy Beckerson, John Smitt, Matthew Simmons, WIPO Case No. D2010-0281 and paragraph 4.16 of the WIPO Overview of WIPO Panel Views on Selected UDRP Questions, Second Edition (“WIPO Overview 2.0”).*”

Notwithstanding the fact, that according to WhoIs data we might have different respondents in this dispute, Complainant strongly believes that there is only one real Respondent who controls all domains in dispute, due to the following:

(a) All websites that are located at domains in dispute have absolutely identical design, graphics, layout, text, the same set of games, and all other instruments. Everything is absolutely the same.

(b) On the «Support-page» of all 13 websites at domains in dispute one can see that contact information is also the same. See screenshot below (previously translated with Google Translate):

(c) One Registrar for 12 out of 13 domains, most of the domains registered on the same day (See Section III below). These are the domains:

- [a], [b] - reg. date: 18-sep-2014;
- [d], [e], [l] - reg. date: 07-mar-2013; and
- [f], [g], [h], [i], [j] - reg. date: 11-may-2016.

(d) The owner of all domains is hidden behind Privacy services;

(e) After WIPO’s request, Registrar disclosed names of domain-holders and according to this information they are: (a) One nickname with non-existing Ukrainian street address “somewhere”, (b) Seychelles legal entity which are commonly used to

hold domains' holder hidden and (c) Zhoselin-Patrick Mandzela of Vernon who has already been a Respondent in same UDRP case D2015-0295 with the same web-site and same Trademark infringement...

Thus, since there are no other distinctive criteria applicable, all websites look the same, work the same and are connected with each other by same network, Complainant believes that there is only one same owner\person who controls the websites.

Given that this case can be reviewed on the basis of any of the disputed domain names and it would be appropriate for all others and that it would be "*fair and equitable to all parties*" and "*circumstances of a given case indicate that common control is being exercised over the disputed domain names or the web sites*" Complainant requests consolidation of the Respondents in this one proceeding.

**III. The Domain Name(s) and Registrar(s)**

**VI. Factual and Legal Grounds**

(Policy, Paragraphs 4(a), (b), (c); Rules, Paragraph 3)

[13.] This Complaint is based on the following grounds:

This Complaint is based on the Вулкан<sup>1</sup>, Вулкан (& Design), Vulkan and Volcano trademarks, among other Вулкан, Vulcan, Vulkan and Volcano composite marks (hereinafter the “Vulcan Marks”) owned by a Complainant in numerous countries around the world and which Complainant have been continuously using since at least as early as 1992—long before Respondent’s registration of the subject domain names in 2013 (four domains), 2014 (two domains) and 2016 (seven domains). Complainant is the owner of registrations for the Vulkan Marks in numerous countries around the world, including but not limited to the below registrations in Russia, which are the most relevant in the case, since overwhelming majority of users is from Russia and Ukraine (according to information of Web-Service at [www.similarweb.com](http://www.similarweb.com)). Copies of trademark records for a representative samples of the Vulkan Marks are attached hereto as **Annex 4** (Translated with Google Translate from Russian to English).

Not to overload the case, Complainant decided not to attach Vulkan Marks that are owned by companies which are a part of Ritzio Group, like Bartlett Corporation’ Vulkan Trademarks #s: 216203; 257824; 307722; 307880; 361357 registered in period 2000-2005 and valid until 2022.

In addition, we are providing the internet links corresponding to these TM from the official database of the Russian Federation (ROSPATENT), also attached as **Annexes 5-8** (Translated with Google Translate from Russian to English).

All these Vulcan Marks are duly registered, valid and belong to Complainant.

Furthermore, **Annexes 9-12** consists of some of the Vulcan Marks duly registered by the Complainant worldwide with basic registrations in Russia but currently independent due to Article 6.2 on the Protocol (period of 5 years from registration passed), such as:

For more than 20 years, Ritzio has been in the business of providing high-quality gaming, casino and entertainment products and services, including but not limited to the operation and management of gaming halls, the design, development, provision and maintenance of games of chance, including betting bingo and slot machines, the provision of interactive real-money games through a computer network, and other related products and services under the well-known Вулкан and Vulkan brands.

Today, Ritzio is one of the leading gaming operators and its business continue to expand far beyond Russia. With more than 2,000 employees, more than 230 Вулкан and/or Vulkan branded gaming clubs and more than 6300 gaming machines deployed throughout Europe. Ritzio's company overview and photographs of Вулкан and Vulkan branded gaming halls, are attached here to as **Annex 18**.

Ritzio has developed a global reputation as a high-quality, technologically advanced, multi-national gaming operator. A summary of Ritzio's operations and locations, and a collection of press releases reflecting Ritzio's growth, are attached hereto as **Annex 19** containing detailed information on the development of Ritzio's key brand VULKAN in the following countries respectively: Germany, Italy, Croatia, Romania, Belarus, Latvia.

Russia and former CIS countries is where Ritzio began the creation of the Vulkan brand which has always been and still is - a flagship of the Complainant's games of chance business. That is why Respondent-like persons find it extremely profitable to act on these territories. While Russian legislative changes from time to time, switching the schematics and business models of all business holders in this field, it requires colossal efforts to continue work, expand Vulkan brand and modify business models for every particular region of the World, where Vulkan brand is presented.

For example, Russian gambling law, particularly – legal act “*On state regulation of activities for the organization and conduct of gambling and on amending some legislative acts of the Russian Federation*”

<http://pravo.gov.ru/proxy/ips/?docbody=&nd=102111150&rdk=&backlink=1> (Official governmental resource) dated 29.12.2006 with current edition dated 01.05.2016 regulates all types of games of chance, their positioning, reporting system and all other aspects of how gaming services can be provided, where can they be provided and what needs to be done to provide them. At the same time, this legal act imposes a lot of difficulties, which are extremely difficult to overcome for such persons like Respondent. Thus, while Complainant makes efforts, invest human and financial resources to hold positions and weight of the Vulkan brand by creating Licensing programs, Social networks programs with partners, advertising, expanding the brand internationally or providing services from abroad, **Respondent chooses the way to parasitize on the famous Vulkan Brand!** Respondent **didn't even bother** to receive authorization from Ritzio to use Vulcan Marks!

Since at least as early as 1992, Ritzio has expended significant resources to promote its products and services using the Vulcan Marks through various media outlets. As a result, Ritzio has developed significant goodwill in the Vulcan Marks and

has grown the Vulcan Marks into one of the most recognized and well-known brands in Europe, Eastern Europe. In fact, between 2006 and 2010, Ritzio's operating revenue was in excess of USD \$5.5 billion. Ritzio has expended significant time, money and resources to build goodwill in the Vulcan Marks, and as a result, the Vulcan Marks have become famous and are extremely valuable trademarks. **Annex 20** consist of excerpts from different independent sources that prove Ritzio's growth and the success of Vulkan/ Вулкан chain of gaming clubs widely spread in several countries.

Ritzio has also been recognized by the International Gaming Awards for its commitment to corporate social responsibility providing since 2005 active support to the Paralympic movement and sportsmen with disabilities. A long-term partnership between Ritzio and the Russian Paralympic Committee began with the company's sponsorship of the Russian national team at the 2006 Winter Paralympic Games in Turin (see **Annexes 21-22**).

As demonstrated above, the Vulcan Marks are famous and enjoy a **worldwide** reputation in connection with high quality products and services in the gaming and entertainment industries.

Complainant, being a giant group of companies in huge number of Countries, provides services in gambling for more than twenty years and bears **legal, reputational and financial risks and loss** because of Respondent-like persons who expressly refer to Complainant's Vulcan Marks. For example: Complainant owes a number of nearly **129** gaming halls in Germany where huge reputational and financial damage is dealt because of Respondent. People playing online believe that Respondent's fake websites belong to Complainant, while they are not.

Yet, not only is Respondent using the Vulcan Marks without authorization, but in an effort to illicitly profit off the goodwill and reputation of the Vulcan Marks, it has copied the look and feel of Ritzio's gaming clubs, intentionally used Vulkan brand in the domain name, copied not only one, but several registered "Вулкан" and "Vulkan" trademarks exactly, created "copycat" websites, and is intentionally misrepresenting in the descriptions of the web-sites that the disputed domain names (and the content associated therewith) is directly connected to, and/or affiliated with, Ritzio's land-based gaming clubs. This issue is being reviewed in details in Section C.

Complainant draws attention of the Panel that unfortunately there are a lot of infringers who are parasitizing on Вулкан/Vulkan brand and there have been already cases under UDRP Process in WIPO where there were almost identical infringements and Panel decided that all those domains are to be transferred to Complainant. These are the cases:

- 1) **D2015-1182** *Ritzio Purchase Limited v. Legato LLC / V. Zaharchenko / Jimmy McColin / Chernovsky Vladimir Sergeevich / Domain Admin, PrivacyProtect.org* (See **Annex 32**)

[www.wipo.int/amc/en/domains/search/text.jsp?case=D2015-1182](http://www.wipo.int/amc/en/domains/search/text.jsp?case=D2015-1182)

- 2) **D2015-0875** *Ritzio Purchase Limited v. Domain Admin, PrivacyProtect.org / Timur Ziganshin / Lianna Tall, Escave Ltd / Private Whois, Global Domain Privacy Services Inc / Moniker Privacy Services* (See **Annex 33**)

- 3) **D2015-1106** *Ritzio Purchase Limited v. Private Whois, Global Domain Privacy Services Inc. / Sergey Budusov, Infostar Management Ltd* (See **Annex 34**)

[www.wipo.int/amc/en/domains/decisions/text/2015/d2015-1106.html](http://www.wipo.int/amc/en/domains/decisions/text/2015/d2015-1106.html)

- 4) **D2016-0633** *Ritzio Purchase Limited npomus Andrey Lykov / Rosalinda Corporation / Roy Delcy, COUNTSIDE Holding Corp / Registration private, Domains By Proxy, LLC* (See **Annex 35**)

[www.wipo.int/amc/en/domains/search/text.jsp?case=D2016-0633](http://www.wipo.int/amc/en/domains/search/text.jsp?case=D2016-0633)

- 5) **D2016-0967** *Ritzio Purchase Limited v. Twist Services LTD, Twist International* (See **Annex 36**)

[www.wipo.int/amc/en/domains/decisions/text/2016/d2016-0967.html](http://www.wipo.int/amc/en/domains/decisions/text/2016/d2016-0967.html)

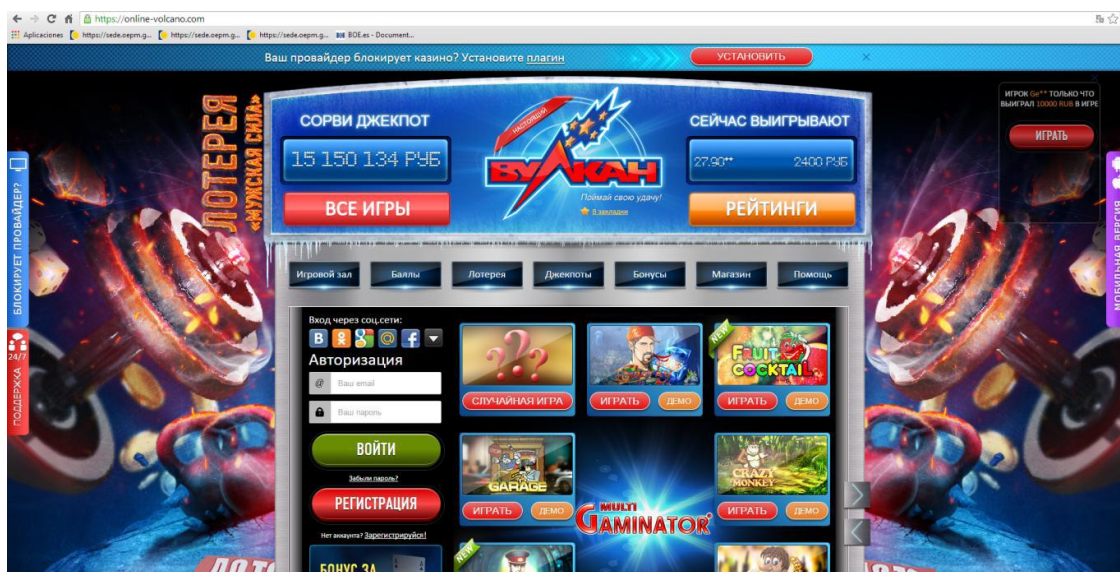

What is probably **most** important here is that exactly the same case and Complainant strongly believes that against exactly the same Respondent has been already reviewed in WIPO according to UDRP Procedure:

- 6) **D2015-0295** *Ritzio Purchase Limited v. Whoisguard Protected, Whoisguard, Inc / Zhoselin-Patrick Mandzela* (See **Annex 31**)

[www.wipo.int/amc/en/domains/search/text.jsp?case=D2015-0295](http://www.wipo.int/amc/en/domains/search/text.jsp?case=D2015-0295)

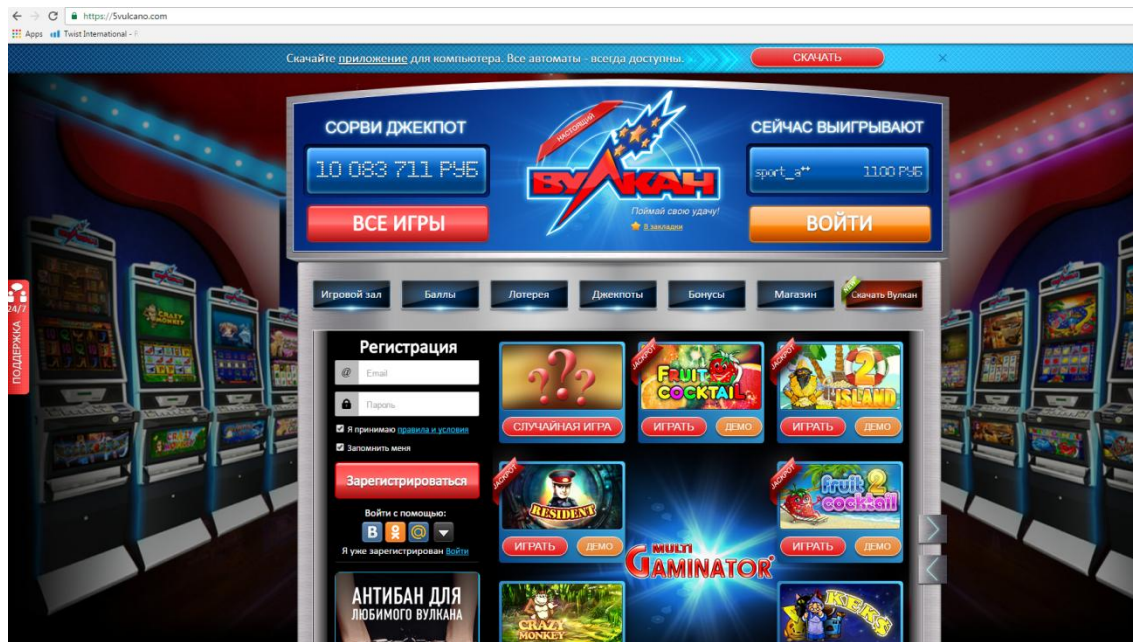

Complainant believes so due to **absolute identity** of the websites on domains in dispute to the website which was on the domain from case D2015-0295: the same design, layout, games, pictures, contact information, buttons, functionality and even style of infringement of the Trademark – everything, except for maybe some new games added. Also hard to miss the same name of the Respondent - *Zhoselin-Patrick Mandzela, Vernon, France*. Hardly a coincidence.

This is a print screen of the website from case D2015-0295:

And this is a print screen from one of the domains in dispute of the current proceeding:

All the misrepresentation texts contained on the web-sites which are the same, along with contact telephone numbers on the bottom of the page. Annex 23(bis) shows the complete page of the website from case 2015-0295 and its easy to see how identic it is.

Given the above Complainant is asking the Panel to review this case according to consensus view stated in paragraph 4.1 of WIPO Overview 2.0, where

*“The UDRP does not operate on a strict doctrine of precedent. However, panels consider it desirable that their decisions are consistent with prior panel decisions dealing with similar fact situations. This ensures that the UDRP system operates in a fair, effective and predictable manner for all parties, while responding to the continuing evolution of the domain name system.”*

**A. The domain name(s) is(are) identical or confusingly similar to a trademark or service mark in which the Complainant has rights;**

Copies of the registration certificates and the corresponding translation into English are attached in **Annexes 4-17**.

**Complainant here expressly states that all the mentioned in this complaint Vulcan Marks are valid and there are no requests for cancellation or any opposition approved against any of the Vulcan Marks whatsoever.** That information is proven by each and all Governmental and/or International Registers and extracts provided therefrom.

We emphasize that because of the previous experience when Respondents' representative in absolutely similar cases tried hard to mislead the Panel by creating artificial complexity of the case, submitting fake documents and once they've filed a suit for cancellation of Vulcan marks. They've lost it of course.

As stated above, the disputed domain names were created in year 2013 (4 domains), 2014 (2 domains) and 2016 (7 domains) and currently are being used to offer the same services (online gambling and casino services) which Complainant provides under the Вулкан\Vulcan trademarks.

The disputed domain names are basically identical to English translation of the registered internationally “Вулкан”\Vulcan<sup>2</sup> marks and sound identical to “Vulkan” trademarks (IR984297, IR353692 and M 65 021 and 302008017149 and other Complainant’ Vulcan Marks). Disputed domain <wulkancasino.com> has been created by the same principle: Russian letter “В” sound as “V” in English, although in the disputed domain it is written as “W”. Why? Simple - since Russian language has no equivalent of sound “W” so it sounds as “V”. Thus, in Russian, for whom the services on disputed domains are mostly provided, the word “wulkan” is pronounced as “Vulkan”.

As such, the mark and the domain names are virtually identical, which render them confusingly similar. *See e.g., NH Hoteles, S.A. v. Will Eom*, WIPO Case № D2010-0227,

“noting that confusing similarity can exist if the trademark and the disputed domain name contain word elements of different languages and a considerable part of the public understands the meaning of the translation”;

Further, a user encountering Respondent’s domain names is likely to be confused into believing that any websites associated with the domain names are owned by, affiliated with, or sponsored by Complainant.

Here, the disputed domain names incorporate and completely corresponds the Complainant’s Vulcan Marks (including the English translation thereof), adding only the generic terms “club”, “online”, “casino” and “zal” (word “Zal” is a transliteration of Russian word «зал» and it means “hall”) and mixing some of them with Arabic numerals, that are considered irrelevant under Policy and do not affect the confusing similarity of domain names and trademarks. *See Dr. Ing. h.c. F. Porsche AG v Vasilij Terkin*, WIPO Case No. D2003-0888:

“In numerous cases, it has been held that a domain name that wholly incorporates a Complainant’s registered mark may be sufficient to establish confusing similarity for purposes of the UDRP.”

---

<sup>2</sup> The English translation of Вулкан is “Volcano” or “Vulcan”. The transliteration of this trademark in Roman letters is “Vulkan” since Cyrillic has no equivalent of the letter “C,” only “K,” for the “K” sound.

See also *Hoffmann-La Roche Inc. v. Wei-Chun Hsia*, WIPO Case No. D2008-0923:

“The mere addition of words “your” and “shop” before and after the Complainant's mark does little to avoid the conclusion that the contested domain name is confusingly similar to the Complainant's TAMIFLU mark.”  
and

“In the circumstances of this case wrapping a well-known mark with merely descriptive or generic words is a doomed recipe for escaping a conclusion that the domain name is confusingly similar to the well-known mark.”

Moreover, words (terms) “club”, “casino”, “online” and “zal” even create extra confusion effect, due to direct association with the main and well known reputation of Vulcan Marks - operation and management of casinos and gaming halls, the design, development, provision and maintenance of games of chance, including betting bingo and slot machines, and the provision of interactive real-money games through a computer network. As a result, the disputed domain names will mislead consumers into believing that the domain names are either owned by or associated with Complainant. See *Scholastic Inc. v. 366 Publications*, D2000-1627 (WIPO Feb. 21, 2001).

*“The addition of a generic term is not a distinguishing feature.... In fact, it may increase the likelihood of confusion if it is an apt term for the Complainant’s business”*

Additionally, because: (1) Respondent’s sites copy the look-and-feel of Ritzio’s gaming clubs; (2) provide online gaming services that are competitive to those offered in connection with the Vulcan Marks; and (3) the domain names are expected to attract consumers interested in Ritzio’s products and services, (4) Complainant’ trademarks are used all over the websites and (5) Reference to a goodwill of Vulcan brand created and maintained by Complainant can be seen **everywhere** on Respondents’ websites - confusion is likely.

Furthermore, it is important to pay attention to the **fact that the disputed domain names copy completely Vulcan Marks, including design and wording that are registered and owned by the Complainant**. As pictured on printout (translated with Google services) of Respondents’ websites that is attached as **Annex 23** (main-page of [vulcan-club-online.com](http://vulcan-club-online.com) same at all the other disputed domains), Vulcan Marks are the “face” of Respondent’s gaming halls. It is shown below, that Respondent uses the exact copy of Vulcan Marks on all of the disputed domain names to maximize the effect of confusion and misrepresentation.

Main-page of [vulcan-club-online.com](http://vulcan-club-online.com) (same at all the other disputed domains):

To enhance a confusion effect, Respondent adds a red stripe on the Trademark with signature “Настоящий” which is translated as “Genuine”.

It should be considered that reproduction of Vulcan Marks can be found on all pages of all of the disputed domains, so this is not a single case and will be reviewed in details in section C. All the websites at the domains in dispute are absolutely identical, so this screenshot refers to a respective main-page of any web-site at any domain in dispute.

*Note:* two of the disputed domains are used to redirect users from one disputed domain to another e.g.:

- [b] vulcan-online-club.com and [l] online-volcano.com are used to redirect users to [a] [vulcan-club-online.com](https://vulcan-club-online.com)

It seems pretty obvious that Respondent tries his best to create **maximum** confusion for users with Complainants’ Vulcan Marks using not only direct wording in the domain name, but also the trademarks all over the websites and lots of false information stating own association with Complainant.

Based upon the virtual identity between Respondent’s domain names and the Vulcan Marks, Internet users and consumers are of an opinion that there is some relation, affiliation, connection, approval or association between Respondent and Complainant when, in fact, no such affiliation exists.

**B. The Respondent has no rights or legitimate interests in respect of the domain name(s);**

(Policy, Paragraph 4(a)(ii); Rules, Paragraph 3(b)(ix)(2))

Following the decision in *Charles Jourdan Holding AG v. AAIM*, D2000-0403 (WIPO June 27, 2000), Respondent has no legitimate rights or interests in the domain name if (i) it is not a licensee of Complainant, nor has it received any permission or consent to use Complainant's trademark; (ii) Complainant has prior rights in that trademark which precedes Respondent's registration of its domain name; and (iii) Respondent is not commonly known by the trademark.

In this case, the Respondent is not a licensee of Complainant, nor has the Complainant authorized or consented to Respondent's use of any of the Vulcan Marks. The complainant has provided extensive evidence of its rights to the registered Vulcan Marks, use of which commenced more than 20 years before the creation and registration of the disputed domain names in year 2013 (4 domains), 2014 (2 domains) and 2016 (7 domains). In fact, it is Complainant's position, as supported by the evidence of record, that Respondent simply acquired the domain name registrations in hope of intentionally attracting, for commercial gain, Internet users to Respondent's website by creating a likelihood of confusion.

As noted above, the Complainant is the owner of numerous active trademark registrations for Вулкан, Вулкан (& Design), Vulkan, and Vulcano trademarks, among other Вулкан, Vulkan, and Volcano composite marks around the world. Aside from the rights derived from its registrations, Ritzio has also acquired a substantial reputation under common law by virtue of its extensive and significant advertising of the Vulcan Marks, and its substantially exclusive and continuous use of the Vulcan Marks since at least as early as 1992.

Paragraph 4(c) of the Policy provides that a respondent may demonstrate rights or legitimate interests in a domain name by establishing that: (1) prior to the dispute, it used, or made demonstrable preparations to use a domain name in connection with a bona fide offering of goods or services; (2) it has been commonly known by the domain names, even if it has not acquired any trademark or service mark rights; or (3) it is making a legitimate noncommercial or fair use of the domain name, without intent for commercial gain to misleadingly divert consumers or to tarnish the trademark or service mark at issue. Respondent cannot satisfy **any** of these factors.

In this case, the **disputed domain names bear no relationship to any legitimate business of Respondent nor has Respondent shown any demonstrable preparations to use the domain names in connection with any bona fide offering of goods or**

**services.** In fact, to the best of Complainant's knowledge, Respondent has not developed any legitimate business relating to or incorporating the Vulcan Marks. *See e.g., E. J. McKernan Co. v. Texas International Property Associates*, D2007-1499 (WIPO Dec. 17, 2007) (citing *Disney Enters., Inc. v. Dot Stop*, FA 145227 (NAF March 17, 2003))

“finding that Respondent's diversionary use of Complainant's mark to attract Internet users to its own website was not a bona fide offering of goods or services”.

Nor has Respondent ever been commonly known by the disputed domain names. Rather, as **Annex 1** shows, Respondent has purposely hidden itself from the public by using the privacy services to register all of the disputed domains. Furthermore, Respondent uses many ways to assure users, that the disputed domain names belong to or associated with Complainant. This issue is described in details below in Section C.

As it has been already reviewed in basically identical case (D2015-1182 *Ritzio Purchase Limited v. Legato LLC / V. Zaharchenko / Jimmy McColin / Chernovsky Vladimir Sergeevich / Domain Admin, PrivacyProtect.org*):

*“Further, so far as paragraph 4(c)(i) is concerned, it appears to be undisputed that the Respondent was aware of the Complainant's claimed rights when it registered and started to use the disputed domain names. Accordingly, it is highly questionable whether the Respondent's use was before notice of the relevant dispute. Further and in any event, the Panel is of the view that the use of a name or trademark so as to impersonate another does not constitute a bona fide offering of goods or services under the Policy. Indeed, such activity is usually seen as an indicator that rights or legitimate interests do not exist”*

Furthermore, **the commercial use to which the disputed domain name has been put, because it trades on the Complainants fame, is not bona fide, and because it is commercial is not a fair or non-commercial use.** *See Consitex S.A., Lanificio Ermenegildo Zegna & Figli S.p.A., Ermenegildo Zegna Corporation v. LaPorte Holdings, Inc.*, D2005-0030 (WIPO Feb. 25, 2005) (citing *Bank of Am. Corp. v. Nw. Free Cmty. Access*, FA 180704 (NAF Sept. 30, 2003))

*“Respondent's demonstrated intent to divert Internet users seeking Complainants' website to a website of Respondent and for Respondent's benefit is not a bona fide offering of goods or services” under Policy 4(c)(i) and it is not a legitimate noncommercial or fair use under Policy 4(c)(iii);*

See also *America Online, Inc. v. Xianfeng Fu*, D2000-1374 (WIPO Dec. 11, 2000)

*“It would be unconscionable to find a bona fide offering of services in a respondent’s operation of its website using a domain name which is confusingly similar to the complainant’s mark and for same business”.*

Eventually, we would like to quote a recent Decision issued by the Center in the case *Paddy Power PLC v. Oded Keinan, Winning Partner Traffic Label Limited*, D2014-1192 (WIPO Sep. 09, 2014)

*“First, the Complainant never authorized the Respondent to utilize any of the PADDY POWER Marks nor does the Complainant apparently have any relationship or association whatsoever with the Respondent. Furthermore, given the exclusive trademark rights that reside in the Complainant, the Respondent could not legitimately acquire any public association between itself and the mark PADDY POWER or even any mark similar thereto such as a mark containing PADDY with a generic gambling-related term(s) appended thereto, at least for the goods and services provided by the Complainant under its marks.*

*The Respondent once used the disputed domain name <paddybingo.com> to address a guide/review site with links to various bingo websites but now uses it as an address of a “pay to play” bingo site. The Respondent uses the disputed domain name <paddyscasino.com> as an address of an online gambling site. The Respondent’s evident purpose behind choosing <paddybingo.com> and <paddyscasino.com> and continuing to use those names is to exploit the ensuing source confusion of Internet users in order to divert traffic away from the Complainant’s competing gambling sites to the Respondent’s sites instead and hence commercially benefit the Respondent to the detriment of the Complainant. Neither of these uses constitutes a bona fide offering of goods or services consistent with paragraph 4(c)(i) of the Policy, nor a legitimate noncommercial or fair use under paragraph 4(c)(iii) of the Policy”.*

Given the above Complainant asserts that Respondent has no rights or legitimate interest in respect of domain names in dispute.

**C. The domain name(s) was/were registered and is/are being used in bad faith.**  
(Policy, paragraphs 4(a)(iii), 4(b); Rules, paragraph 3(b)(ix)(3))

Given the reputation and widespread use of the Vulcan Marks that is described above in details, any use by the Respondent of the domain name in dispute would constitute an infringement of the Complainant's trademark rights.

*"For the purposes of Paragraph 4(a)(iii), the following circumstances, in particular but without limitation, if found by the Panel to be present, shall be evidence of the registration and use of a domain name in bad faith:*

*(iv) by using the domain name, you have intentionally attempted to attract, for commercial gain, Internet users to your web site or other on-line location, by creating a likelihood of confusion with the complainant's mark as to the source, sponsorship, affiliation, or endorsement of your web site or location or of a product or service on your web site or location."*

All the disputed domain names are operating as full-functional online-casinos. All the web-sites are identical and include the following pages:

- "Gaming Hall" with a set of casino-games;
- "Points" page where one can exchange points (credits) for real money or for real goods in a special Shop page. Currency exchange rate depends on the level of the player;
- "Lottery" page with ongoing lottery with **prize fund** of RUR 2,000,000 (which is an equivalent of about **USD 31,000**) and **total amount of already won money by users: RUR 39,000,000** (which is an equivalent of about **USD 600,000**);
- "Jackpots" page with RUR 8,667,785 *at stake* (which is an equivalent of about **USD 133,000**). The page shows us that **total amount of already won money by users** within less than two years is RUR 102,454,227 (which is an equivalent of about **USD 1,580,000**);
- "Bonuses" page, with generous bonuses for users;
- "Shop" page where you can exchange points (credits);
- "Cashbox" section showed on each page with numbers of cash-in and cash-out methods presented;
- "News" page with information of ongoing events and all other classic attributes of online-casino from which one can see unimpeachable facts of huge losses incurred by the Complainant due to fraudulent activity of the Respondent.

See them attached as **Annexes 24-29** translated with Google Translate. Respective pages of disputed domain names show us that they are created for obvious commercial gain (not to overload the case, we provide the examples of [vulcan-club-online.com](http://vulcan-club-online.com) main web-site sections, but all the other the web-sites with disputed domain names are absolutely identical and have all these elements).

The Respondent has acted in bad faith by using domain name that incorporates the Vulcan Marks and by using Complainant's trademarks in content to intentionally attract, for commercial gain, Internet users to Respondent's website by creating a likelihood of confusion. This fraudulent activity in creating "copycat" websites and directly attempting to deceive consumers is clearly bad faith. As noted above, the Vulcan Marks are well-known and have a global reputation. To maximize the effect of confusion Respondent uses the Vulkan trademark on all the pages of the disputed domain names, all the advertising materials etc.

As it has been established in numerous cases: if a domain incorporates someone else's trademark without any authorization to divert and lure users to the competitor's web-site in order to gain profits from misrepresentation – it cannot be presumed as registration and use in good faith.

The Respondent has obviously attempted to capitalize prestigious reputation by purchasing the domain names in dispute which has nothing to do with Respondent, and trading off the goodwill that Ritzio has established over the past 20 years. In fact, as noted above, Respondent has solely *used* the disputed domains names which completely correspond with the Vulcan Mark to attract consumers from Complainants authorized partners and to profit from competitive online gaming and casino services conduct that WIPO has routinely ruled constitutes bad faith. *See e.g., The Knot, Inc. v. Alex Luongo*, D2006-0296 (WIPO Apr. 15, 2006)

*"When typosquatting is done by a competitor or for competitive services, the evidence is conclusive. A close misspelling of a competitor's mark betrays both knowledge of the mark and an intentional attempt to use that mark to divert Internet users to competitors for profit, taking advantage of whatever goodwill attaches to the mark and bringing the circumstances within paragraph 4(b)(iii) and 4(b)(iv) of the Policy."*

**Furthermore, Respondent is not only very well aware of Complainants' trademarks, but also demonstrates that disputed domains are associated with Complainant in text descriptions on the pages of the respective websites!**

For example, on the main page of all of the disputed domain names where Respondent describes its services and “own history”, users see not only unauthorized use of Vulkan trademark but also the following texts that clearly refer to Complainant’s history and reputation while distorting facts to emphasize own “cleanness” (quotes are from translated by Google Chrome web-pages of disputed domain names. **See Annex 23**):

*“Casino Volcano is undoubtedly the best brands in the gambling business. During the existence of the gaming club Volcano acquired a firm reputation as a reliable playground, loyal to the players and providing permanent access to the highest quality gaming slot.*

*The famous brand has earned popularity during the time fixed gaming establishments, winning the hearts of millions of gamblers all over the world. After the volcano became available on the Internet, its range of offered entertainment has become much wider, which attracted a new audience.*

*The official representative of the brand casino volcano on the worldwide web is the site [vulcan-club-online.com](http://vulcan-club-online.com). He has a license of the famous places the game, which is an excellent indicator of the quality of services and the guarantee of fair play.”*

The Respondent deceives Internet users by presenting himself as the licensee of the Complainant, this is clearly stated in the abovementioned last line of the Respondent’s “history description”. The adaptive translation from Russian would be: - *“He (the respondent) is authorized as a licensee by famous gaming institution and that fact is an excellent indicator of quality of the rendered services and guarantee of the fair play.”* But this Respondent’s statement is nothing else but blatant lie. The Complainant has never authorized the Respondent for anything.

Moreover, the Respondent places the warning that the used marks on his web-sites are duly registered for obvious reason – so that users once again see and believe in Respondent’s legitimate use of Vulkan trademarks. Such warnings are placed at the bottom of each page of all the web-sites with disputed domain names, see print screen below (translated with Google services):

Sadly, but this is how Respondent-like entities work: *they parasitize on Complainant’ brands while spreading false and fabricated information about*

*association with Ritzio everywhere where its possible and impossible.* By this moment we've seen numerous variations of fabricated information, but when it comes to arbitrations – the decisions are always based on facts and fake “stories” don't work.

Complainant also draws attention of the Panel to the fact that Respondent has another notice on the so called “plug-ins” page at all of the disputed domains. **Annex 30** (also translated by Google translate) shows the example of “plug-ins” page of one of the disputed domain (here is the link: <https://vulcan-club-online.com/client>), but it is the same for all of the disputed domains:

*If you can not go to the casino site Volcano, the special plug-in for the browser will solve this problem in a jiffy.*

*See detailed instructions for installing the plugin, who painted all popular browsers. Installation takes less than a minute.*

*Also, for stable access to slot machines, you can use one of the following options:*

- *activate the special regime "Turbo" in Yandex browser and Opera;*
- *use a new user-friendly browser Tor.*

To visit the “plug-ins” page of any of the disputed domain, you just have to add “/client” to any of the domain names (e.g. <https://vulcan-club-online.com/client>, <https://volcanoza.com/client>, etc. ).

The fact that Respondent has created a by-pass instrument to overcome Internet Service Provider's or local Regulators' block for intellectual property infringements or other legal abuses and as stated in this sign: this is a common and well known “problem” - is another argument to prove that Respondent acts in bad faith.

Moreover, Respondent conceals its identity using the Privacy services for all of the disputed domains. See *Telstra Corporation Limited v. Nuclear Marshmallows*, D2000-0003 (WIPO Feb. 18, 2000)

“noting that a respondent's concealment of its true identity as domain name holder strongly indicates a bad faith intention”.

Also see *The American Automobile Association, Inc. v. aaaaautoinsurance.com Privacy--Protect.org, aaa-netaccess.com Privacy--Protect.org, aaanetacceess.com Privacy--Protect.org, Isaac Goldstein*, D2011-2069 (WIPO Feb. 8, 2012)

“Further evidence of bad faith use can be inferred from the choice to register the Disputed Domain Names <aaaaautoinsurance.com>,”

<aaanetacceess.com>, and <aaa-netaccess.com> using a privacy service. Whereas the Panel accepts that use of a privacy or proxy registration service is not in and of itself an indication of bad faith, it notes that the manner in which such service is used can in certain circumstances constitute a factor indicating bad faith, for example use of a privacy service in combination with provision of incomplete contact information or continued concealment of the “true” or “underlying” registrant (see paragraph 3.9 of the WIPO Overview 2.0 and Fifth Third Bancorp v. Secure WhoIs Information Service, WIPO Case No. D2006-0696). Given that certain registrant contact information provided, per the relevant WhoIs records, is inaccurate (for example the telephone number provided for each of the three Disputed Domain Names is for a number located in Brazil rather than Shanghai, China, which is the location of the stated address) and given the elaborate attempts to conceal what the Panel considers to be at least an association between the Respondent Privacy--Protect.org, the registrar, and the alleged new registrant of the three Disputed Domain Names, Milan Kovac, with the Respondent Isaac Goldstein (as discussed under Proper Respondents above), the Panel considers that an inference of bad faith use on the basis of the Respondents' use of a privacy registration service to be appropriate in the present case”.

We find it necessary to point out that previously, Complainant had the identical dispute in which web-sites of that respondent used to look absolutely identical to the websites with the domain names of ongoing dispute. In fact, as we have been informed by Registrar after WIPO request – it is the same Respondent Zhoselin-Patrick Mandzela of Vernon, France. The design, graphics, layout, text, the same set of games, and all other instruments, everything was absolutely identical. See *Ritzio Purchase Limited v. Whoisguard Protected, Whoisguard, Inc / Zhoselin-Patrick Mandzela*, WIPO Case No **D2015-0295** (See the case attached as **Annex 31**), where the Panel in its decision (in favor of Complainant) found that:

*“The disputed domain name is linked to a website that offers online gaming services which are not authorized by the Complainant. The Respondent's website copies the look and feel of the Complainant's gaming clubs, copies exactly the BYJIKAH ("VULKAN" in Latin transliteration) trademark with a lightning bolt logo, and on top of this does not feature a disclaimer for the lack of relation with or endorsement by the Complainant. The Panel does not*

*regard such conduct as being made in good faith. Rather, it appears that the Respondent, by using the disputed domain name, attempts to attract to its own website for commercial gain the consumers that are looking for the online gaming services offered by the Complainant by creating a likelihood of confusion with the Complainant's VOLCANO trademark as to the source or affiliation of the Respondent's website."*

Therefore, Complainant believes that in the ongoing case the disputed domains are owned/controlled or associated with the respondent indicated in WIPO Case No. D2015-0295, who after losing the case had no other legitimate options but to register new domains and to use some of the previously registered domains (the disputed domains) in order to keep going on illegal business.

Eventually, we would like to quote a recent decision of the Center in case No D2014-0787:

*"The examples of bad faith registration and use set forth in paragraph 4(b) of the Policy are not meant to be exhaustive of all circumstances from which such bad faith may be found. See Telstra Corporation Limited v. Nuclear Marshmallows, [WIPO Case No. D2000-0003](#). The overriding objective of the Policy is to curb the abusive registration of domain names in circumstances where the registrant seeks to profit from and exploit the trademark of another. Match.com, LP v. Bill Zag and NWLAWS.ORG, [WIPO Case No. D2004-0230](#).*

*(...) The Panel concludes that the Respondent was aware of the Complainant and the Complainant's marks when registering the disputed domain names. In the absence of any reply by the Respondent, the Panel considers that the Respondent's primary motive in relation to the registration and use of the disputed domain names was to capitalize on, or otherwise take advantage of, the Complainant's trademark rights through the creation of Internet user confusion. The record reflects that the Respondent has registered and is using the disputed domain names in bad faith to intentionally attract for commercial gain Internet users to the Respondent's websites, by creating a likelihood of confusion with the Complainant's marks as to source, sponsorship or affiliation. See Edmunds.com, Inc. v. Ult. Search Inc., [WIPO Case No. D2001-1319](#)".*

Basically, as it has been very good reviewed and analyzed in previous identical case (D2015-0875 Ritzio Purchase Limited v. Domain Admin, PrivacyProtect.org / Timur Ziganshin / Lianna Tall, Escave Ltd / Private Whois, Global Domain Privacy Services Inc / Moniker Privacy Services):

*“At its heart, therefore, and despite the extensive argument and submissions filed by both the Parties, ultimately this is a relatively simple case of impersonation. The Respondent (or at least persons on behalf of whom the Respondent has registered the Domain Names) has registered and is using the Domain Names in order to pass themselves off as the Complainant (or in some way authorised by the Complainant) when it is not, in order to thereby draw Internet users to gambling websites for commercial gain. Registration and use of a domain name for such a purpose is a classic example of registration and use in bad faith. So far as use is concerned it is activity that falls within the scope of paragraph 4(b)(iv) of the Policy”*

Accordingly, the disputed domain names are confusingly similar to Complainant’s registered Vulcan Marks and were registered without the Complainant’s consent, the Respondent has no legitimate interests in the domain name and is not making any legitimate non-commercial or fair use of the domain name, and the domain name are registered and are being used in bad faith as evidenced by the Respondent’s hidden identity, typosquatting, and absolutely obvious attempt to attract users by creating likelihood of confusion to trade off the fame and goodwill of the Vulcan Marks.

THIS AGREEMENT HAS A PROVISION FOR ARBITRATION OF DISPUTES BETWEEN THE PARTIES.

This Registration Agreement ("Agreement") sets forth the terms and conditions of your use of domain name registration and related services ("Services"). In this Agreement "you" and "your" refer to you and the registrant listed in the WHOIS contact information for the domain name. "We", "us" and "our" refer to the registrars listed at the bottom of this document, any one of which will be the registrar for your domain name and all of which share common ownership, common terms and conditions, and a shared Services infrastructure. To determine which registrar your domain name is registered with, perform a WHOIS lookup at <http://www.uwhois.com>. You obtain the Services through your primary service provider, with whom we have a wholesale relationship (your "Primary Service Provider"). Your relationship with your Primary Service Provider may be governed by additional terms, as you and your Primary Service Provider may agree. "We," "us" and "our" does not include your Primary Service Provider, except when specifically mentioned or unless your Primary Service Provider is one of us (i.e., if your Primary Service Provider is also one of the registrars listed at the [bottom of this document](#))).

1. **YOUR AGREEMENT:** By using the Services, you agree to all terms and conditions of this Agreement, the UDRP (defined below), the URS (defined below), and any rules, policies, or agreements published in association with specific Services and/or which may be adopted or enforced by the Internet Corporation for Assigned Names and Numbers ("ICANN"), any registry, or governments.
2. **CHANGES TO THIS AGREEMENT:** This Agreement may change over time, either through amendments by us, changes to ICANN policy or applicable law which may or may not be reflected in the text of this Agreement, or otherwise. Before any material changes to this Agreement become binding on you (other than changes resulting from a change in ICANN policy or applicable law), we will notify you of such changes by, for example, sending email to you at your email address of record. If, as a result of such a change, you no longer agree with the terms of this Agreement, your exclusive remedies are (a) to transfer your domain name registration services to another registrar, or (b) to cancel your Services, including domain name registration services, with us. Your continued use of the Services following notification of a change in this Agreement indicates your consent to the changes. Unless otherwise specified by us, any such change binds you: (1) thirty (30) days after we notify you of the change, or (2) immediately if such change is a result of a new or amended ICANN policy or applicable law.
3. **REGISTRANT RIGHTS AND RESPONSIBILITIES:** ICANN has developed, in consultation with registrars, a webpage that identifies important registrant rights and responsibilities. The document provides a "plain language" summary of terms related to Registrant Rights and Responsibilities as set out in the Registrar Accreditation Agreement (RAA), for posting on registrar websites. While some of the terms included do not specifically refer to registrants, those terms are included because of the potential import to understanding registrar/registrar relations. The document also summarizes registrant rights and responsibilities that arise within ICANN Consensus Policies and specifications, as those policies and specifications are incorporated into the RAA. The summarization of terms within this document do not override or replace the terms set forth in the RAA or within those specifications or policy. Please review these important [Registrant Rights and Responsibilities](#).
4. **YOUR ACCOUNT:** You must create an account to use the Services ("Account"). Your Account is typically managed and/or provided by your Primary Service Provider. You are solely responsible for

maintaining, securing, updating, and keeping strictly confidential all login IDs and passwords, and for all access to and use of your Account by you or any third party.

a. ACCOUNT CONTACT INFORMATION AND DOMAIN NAME WHOIS INFORMATION:

- i. You must provide certain current, complete and accurate information about you with respect to your Account information and with respect to the WHOIS information for your domain name(s). Within seven (7) days of any change to such information, you must update such information as needed to keep it current, complete and accurate. You must submit the following with respect to you, the administrative, technical, and billing contacts for your domain name registration(s) and other Services: name, postal address, e-mail address, voice telephone number, and where available, fax number. The type of information you are required to provide may change and you must provide such information and keep your Account information current. Not providing requested information may prevent you from obtaining all Services.
- ii. You may provide information regarding the name-servers assigned to your domain name(s) and, if we are providing name-server services to you, the DNS settings for the domain name. If you do not provide complete name-server information, or if you purchase "Name Only" Services, we may supply this information (and point your domain name to a website of our choosing) until such time as you elect to supply the name-server information or until such time as you elect to upgrade from "Name Only" Services.

b. OBLIGATIONS RELATING TO THE ACCOUNT AND WHOIS CONTACT INFORMATION:

- i. If, in obtaining Services, you provide information about or on behalf of a third party, you represent and warrant that you have (a) provided notice to that third party of the disclosure and use of that party's information as set forth in this Agreement, and (b) obtained the third party's express written consent to the disclosure and use of that party's information as set forth in this Agreement.
- ii. You represent and warrant that the statements in your application are true and that no Services are being procured for any unlawful or abusive purpose, including but not limited to the infringement of any intellectual property right or other right; the distribution of malware; the abusive operation of botnets; phishing; fraudulent or deceptive practices; the unauthorized transfer to yourself or any other party of any domain name or Services; counterfeiting; or any other activity in violation of any laws, rules, or regulations (the "Illegal Uses"). Providing inaccurate or unreliable information, failing to update information within seven (7) days of any change, engaging in any Illegal Uses, or failing to respond for over fifteen (15) days to inquiries by us concerning the accuracy of Account and WHOIS contact information will constitute an incurable material breach of this Agreement and be a basis for suspension and/or cancellation of the Services.
- iii. You are responsible for regularly monitoring email sent to the email address in your Account. You may lose your rights to the domain name(s) or your right to receive the Services if you do not respond appropriately and timely to an email sent in conjunction therewith.

c. ACCESSING YOUR ACCOUNT:

- i. In order to change any of your Account or domain name WHOIS information, you must access your Account with your Primary Service Provider, or your Account with us. It is your duty to safeguard your Account login identifier and password from any unauthorized use. Any person in possession of your Account login identifier and password will have both the ability and your authorization to modify your Account and domain name information, initiate transfers of your domain name(s) to other registrars, initiate registrant changes to your domain names which may terminate your rights to use such domain name(s), update DNS changes to your domain name(s) which may result in changes to the content associated with your domain name(s) and take other actions which may affect or terminate your rights and access to your domain name(s) and/or the Services.
- ii. We will take reasonable precautions to protect the information we obtain from you from loss, misuse, unauthorized access or disclosure, alteration or destruction of that information and such reasonable precautions include procedures for releasing Account access information to parties who claim to have lost Account access information. If we take reasonable precautions in relation thereto, IN NO EVENT SHALL WE BE LIABLE IF SUCH REASONABLE PRECAUTIONS DO NOT PREVENT THE UNAUTHORIZED USE OR MISUSE OF YOUR ACCOUNT IDENTIFIER OR PASSWORD AND, EVEN IF WE FAIL TO TAKE REASONABLE PRECAUTIONS, OUR LIABILITY UNDER ANY CIRCUMSTANCES SHALL BE LIMITED BY THE LIMITATION OF LIABILITY PROVISION FOUND IN PARAGRAPH 13 BELOW IN THIS AGREEMENT.
- iii. If you contact us alleging that a third party has unauthorized access to your Account or domain names, we may charge you administrative fees, currently set at fifty dollars (\$50) per hour, for our time spent in relation to the matter, regardless of whether or not we return control over the Account and/or domain name(s) to you. You will indemnify us for any reasonable attorneys' Fees and costs we may incur in relation to the matter, even if those fees and costs accrue as a result of defending an action, or responding to a threat of an action, initiated by You or a third party.

d. SHARING OF WHOIS INFORMATION:

- i. We will make available the domain name registration information you provide or that we otherwise maintain to the following parties: ICANN, any ICANN-authorized escrow service, the registry administrator(s), and to other third parties as ICANN and applicable laws may require or permit (including through web-based and other on-line WHOIS lookup systems), whether during or after the term of your domain name registration services of the domain name. You irrevocably waive any and all claims and causes of action you may have arising from such disclosure or use of such information. We may make publicly available, or directly available to third parties, some, or all, of the information you provide, for purposes of inspection (such as through our WHOIS service) or for targeted marketing and other purposes as required or permitted by applicable laws, including by way of bulk WHOIS data access provided to third parties who enter into a bulk WHOIS data access agreement with us.

- ii. ICANN may establish or modify the guidelines, limits and/or requirements that relate to the amount and type of information that we may or must make available to the public or to private entities, and the manner in which such information is made available. Information regarding ICANN's guidelines and requirements regarding WHOIS can be found at <http://www.icann.org/registrars/wmrp.htm>, <http://www.icann.org/registrars/wdrp.htm>, and elsewhere on the ICANN website at <http://www.icann.org/>.

5. OUR SERVICES:

a. DOMAIN NAME REGISTRATION.

- i. We are accredited registrars with ICANN for generic top level domain names ("gTLDs") (such as .com, .net, .org, etc.). ICANN oversees registrations and other aspects of the gTLDs. We also are registrars for a variety of country code top level domain names ("ccTLDs") (such as .co.uk, .de, etc.). For a partial list of registry administrators and for more information on gTLDs, see <http://www.icann.org/tlds/>. Domain name registrations are not effective until the registry administrator puts them into effect. Domain name registrations are only for limited terms which end on the expiration date. For domain names which are created as a new registration out of the pool of available domain names, the term begins on the date the domain name registration is acknowledged by the applicable registry. For domain name registrations which were not returned to the pool of available domain names, the term begins on the date the previous registrant's domain name registration was acknowledged by the applicable registry.
- ii. We and your Primary Service Provider are not liable or responsible in any way for any errors, omissions or any other actions by the registry administrator, including those arising out of or related to a request to register, renew, modify the settings for, or transfer of a domain name registration. You acknowledge that domain name registration is a service, domain name registrations do not exist independently from services provided pursuant to this or a similar registration agreement with a registrar, domain name registration services do not create a property interest and you have no such property interest in any domain name(s) which you may register with us.
- iii. If you submit an application for pre-registration of a domain name, we do not guarantee that the domain name will be secured for you, or that you will have immediate access to the domain name if secured. In the event two (2) or more pre-registration applications are received for the same domain name and the domain name is secured, all applicants will be invited to a private auction to decide who gets the domain name. If you are such an applicant and wish to participate in the auction, you must first acknowledge any trademark claims notice that is shown to you and agree to any additional terms and conditions which may be applicable.

b. AFTER MARKET DOMAIN NAMES:

- i. We offer for sale domain names that are registered to third parties (also known as aftermarket domain names) in a variety of top level domain names ("After Market Domain Name(s)"). All After Market Domain Name registrations are offered on a first

come, first served basis. If you are the first to complete an After Market Domain Name registration application for a particular domain name, including payment of the purchase price we designate, we will initiate a transfer of the relevant After Market Domain Name to your Account. If the After Market Domain Name is at another domain registrar at the time of your purchase, we will transfer your purchased After Market Domain Name to us at no cost to you and will add one year to the existing registration period. If the After Market Domain Name is already located with us as the domain registrar at the time of your purchase and it has ninety (90) days or less from the date of your purchase before expiration, we will renew your After Market Domain for you for free. If the After Market Domain Name is already located with us as the domain registrar at the time of your purchase and it has ninety-one (91) days or more before expiration, you are responsible for all renewal fees. Any subsequent renewals of the After Market Domain Name will be charged at the then-current renewal fee. Once you submit your order for an After Market Domain Name, you have entered into a valid, binding and enforceable contract to pay the designated purchase price for the After Market Domain Name. Because we are selling After Market Domain Names initially registered to third parties, we have no control and make no representations regarding the accuracy or legality of domain names advertised, the accuracy or legality of any domain name listing, or the right and the ability of the third party seller to transfer the After Market Domain Name or complete the transaction. We do not control whether or not third party sellers will complete a transaction. We reserve the right to reject or cancel your After Market Domain Name registration for any reason including, but not limited to, any pricing errors. In the event your After Market Domain Name registration is rejected or cancelled by us, for any reason, we will refund in full the amount of the purchase price for the After Market Domain Name as your sole remedy.

- ii. Once the After Market Domain Name is transferred into your Account, such After Market Domain Name may not be transferred away from us to another registrar during the first sixty (60) days following the transfer, during which time the After Market Domain Name may be placed on transfer lock. All of your obligations under this Agreement which apply to the registration or renewal of domain name(s) created by you apply to any After Market Domain Name(s) acquired by you, including but not limited to prohibition against any Illegal Uses.

c. NOT INCLUDED IN THE SERVICES:

- i. We are not responsible to determine whether the domain name(s) you select, or the use you or others make of the domain name(s), or other use of the Services, infringes legal rights of others. It is your responsibility to know whether or not the domain name(s) you select or use or allow others to use infringe legal rights of others.
- ii. We might be ordered by a court or arbitrator to cancel, modify, or transfer your domain name; it is your responsibility to list accurate contact information in association with your Account and to communicate with litigants, potential litigants, and governmental authorities. It is not our responsibility to forward court orders or other communications to you. Our policy is to comply with court orders from courts of competent jurisdiction as well as UDRP and URS Panel decisions. If you contact us

informing us that you are contesting a court order from a court of competent jurisdiction, we may, but are not obligated to, place a transfer lock on the domain name pending the outcome of the dispute. If you contact us informing us that you are contesting an adverse UDRP or URS Panel decision, your time limits and procedures to do so are subject to the requirements set forth in the UDRP or URS. We will not delay implementation of a UDRP or URS Panel decision based solely on your informing us that you intend to contest the decision.

d. USE OF FREE SERVICES:

- i. In consideration for providing additional optional Services for which we do not charge an additional fee, including, but not limited to, free trials, URL forwarding, email forwarding, free parking page, free website hosting, free email services, or other free services which we may introduce from time to time ("Free Services"), we may display advertising in conjunction therewith through the use of pop-up or pop-under browser windows, banner advertisements, audio or video streams, appendices to emails, or any other advertising means, and we may aggregate for our own use, related usage data by means of cookies and other similar means. You will not be entitled to any of the proceeds we may earn as a result of such advertising. We may discontinue any Free Services at any time with or without providing you prior notice.
- ii. From time to time we may provide you with free or low-cost domain name(s) registration services ("Promotional Name(s)"). If we do so, the services for the Promotional Name(s) will be placed in the same Account as your other domain name(s) and you will be listed as the registrant, though we may point the Promotional Name to IP address(es) of our choosing. If you want to assume control over the services provided to the Promotional Name, including the right to transfer or push the Promotional Name service to other registrars or other Accounts or the ability to control the DNS settings for the Promotional Name, you must pay the promotional registration fee or renewal fee, if any, and the terms of this Agreement will apply to such Promotional Name(s). If you do not want the Promotional Name services, you may request that you be removed as the registrant of such Promotional Names and we may be listed as the domain name registrant or we may delete such domain names or make them available to others. For any domain name services, including these Promotional Names, for which you are listed as registrant but for which you do not pay the registration or renewal fee, we may assign name-servers to the domain name and point the domain name to IP address(es) designated by us until the registration or renewal fee is paid.

6. SERVICES PROVIDED AT WILL; TERMINATION OR SUSPENSION OF SERVICES:

- a. We and your Primary Service Provider may reject your domain name registration application or elect to discontinue providing Services to you for any reason within thirty (30) days of a Service initiation or a Service renewal. Outside of this period, we and your Primary Service Provider may terminate or suspend the Services at any time for cause, which, without limitation, includes (i) registration of prohibited domain name(s), (ii) abuse of the Services, (iii) payment irregularities, (iv) allegations of illegal conduct or infringement of any third party intellectual property right or other right, (v) failure to keep your Account or WHOIS information accurate and up to date, (vi) failure to respond to inquiries from us for over fifteen (15)

calendar days, or (vii) if your use of the Services involves us in a violation or alleged violation of any third party's rights or acceptable use policies, including but not limited to the transmission of unsolicited email or the violation or alleged violation of any intellectual property right or other right. No fee refund will be made when there is a suspension or termination of Services for cause.

- b. At any time and for any reason, we may terminate the Services thirty (30) days after we send notice of termination via mail or email, at our option, to the WHOIS contact information provided in association with your domain name registration. Following notice of termination other than for cause, you must transfer your domain name within such thirty (30) day notice period or risk that we may delete your domain name, transfer the registration services associated with your domain name to ourselves or a third party, or suspend or modify Services related to your domain name. If we terminate Services for a reason other than cause, we will provide a pro-rata refund of your fees.
- c. If we terminate or suspend the Services provided to you under this Agreement, we may then, at our option, make either ourselves or a third party the beneficiary of Services which are substantially similar to those which were previously provided to you. If we have grounds to terminate or suspend Services with respect to one domain name or in relation to other Services provided through your Account, we may terminate or suspend all Services provided through your Account.
- d. Your registration of a domain name is subject to suspension, cancellation or transfer by any ICANN procedure now in affect or which may come into effect at a later date, by any registrar or registry administrator procedures approved by an ICANN-adopted policy or any policy adopted by any ccTLD registry or governing body, to correct mistakes by us, another registrar or the registry administrator in administering the domain name or for the resolution of disputes concerning the domain name or as a result of any government decree, rule, law or regulation.

## 7. FEES AND TAXES:

- a. You agree to pay, prior to the effectiveness of the desired Services, the applicable Service fees set forth on the [Pricing Page](#) or otherwise communicated to you. In the event any of the fees for Services change, we will use reasonable efforts to give you thirty (30) days prior notice of such changes on the [Pricing Page](#) or by other reasonable means. Please check the [Pricing Page](#) often for any changes to our Services fees. All fees are non-refundable, in whole or in part, even if your domain name registration is suspended, cancelled or transferred prior to the end of your then current registration term, unless this Agreement specifically provides for a refund. At our option, we may require that you pay fees through a particular payment means (such as by credit card or by wire transfer) or that you change from one payment provider to another.
- b. Unless specified otherwise, the fees for the Services do not include taxes. If we are required to pay ICANN fees or United States or international sales, use, property, value-added ("VAT"), royalty, license, or other taxes based on your use of the Services, then you must pay such fees or taxes. This section does not apply to taxes based on our income.

8. **PAYMENT ISSUES:** In the event of a charge back by a credit card company (or similar action by another payment provider allowed by us) in connection with your payment of fees for any Services, we and/or your Primary Service Provider may suspend access to any and all Accounts you have with us and/or your Primary Service Provider and all interests in and use of any domain name registration services, website hosting, and/or email services, including all data hosted on our systems and/or on the systems of your Primary Service Provider may be assumed by us or your Primary Service Provider, as the case may be, or may be terminated. We may reinstate your rights to and control over these Services solely at our discretion, and subject to our receipt of the unpaid fees and our then-current reinstatement fee set forth on the [Pricing Page](#) or otherwise communicated to you. Reinstatement of Services by your Primary Service Provider may be according to the terms between you and your Primary Service Provider relating to reinstatement. If you have an issue with credit card or other payment charges, you should contact your Primary Service Provider, first, and us, second, regarding the issue before you contact your credit card or other payment process company to request a charge back or reversal of the charges.
9. **EXPIRATION AND RENEWAL OF SERVICES:** It is your responsibility to keep your own records and to maintain your own reminders regarding when your domain name registration or other Services are set to expire. With respect to domain name registration services, we and/or your Primary Service Provider will email a renewal notification approximately one (1) month and approximately one (1) week prior to each such domain name's expiration. In addition, if a domain name is not renewed, we and/or your Primary Service Provider will email an additional renewal notification within five (5) days after the expiration of such domain name's registration. All renewal notifications will be sent to primary contact for the Account associated with the domain name registration. It is your responsibility to maintain current and accurate credit card information should any Services be placed on "auto-renew." We and/or your Primary Service Provider will notify you when renewal fees are due. Should these fees go unpaid, your Services will expire or be cancelled. Payment must be made by credit card or such other method as we may allow or require from time to time. If you select automatic renewal of the Services, we may attempt to renew the Services a reasonable time before expiration, provided your credit card or other billing information is available and up to date. It is your responsibility to keep your billing information up to date and we are not required to, but may, contact you to update this information in the event that an attempted transaction is not processed successfully. Please note: for certain top level domain names, the automatic renewal option is not available.
10. **EXPIRATION OF A DOMAIN NAME REGISTRATION:** Immediately after the expiration of the term of domain name registration services and before deletion of the domain name in the applicable registry's database, we may direct the domain name to name-servers and IP address(es) designated by us, including, without limitation, to no IP address or to IP address(es) which host a parking page or a commercial search engine that may display advertisements, and we may either leave your WHOIS information intact or we may change the contact information in the WHOIS output for the expired domain name so that you are no longer the listed registrant of the expired domain name.
  - a. **Reactivation Period Process.** For a period of approximately thirty (30) days after expiration of the term of domain name registration services, we may provide a procedure by which expired domain name registration services may be renewed. We may, but are not obligated to, offer this process, called the "reactivation period." You assume all risks and all consequences if you wait until close to or after the expiration of the original term of domain name registration services to attempt to renew the domain name registration services. We

may, in our sole discretion, choose not to offer a reactivation period and we shall not be liable therefore. The reactivation period renewal process, if any, may involve additional fees which we and your Primary Service Provider may determine. We may make expired domain name services(s) available to third parties, we may auction off the rights to expired domain name services (the auction beginning close to the end or after the end of the reactivation period), and/or expired domain name registration services may be re-registered to any party at any time.

b. After the reactivation period, if any, we may:

- i. Discontinue the domain name registration services at any time thereafter without notice. In which case, certain registry administrators may provide procedures by which discontinued domain name registration services may nonetheless be renewed. We will participate in this process, typically called the "Redemption Grace Period" ("RGP"), for each gTLD registry administrator that provides it. We may, in our sole discretion, choose not to participate in the RGP process with respect to any or all of your ccTLD domain name registration services and we shall not be liable therefore. If available, RGP typically ends between thirty (30) and forty-two (42) days after the end of the reactivation period of the domain name services. The current RGP fee is set forth on the [Pricing Page](#) and does not include any registration fees that may also be due. We are not obliged to contact you to alert you that the domain name registration services are being discontinued; or
- ii. Pay the registry's registration fee or otherwise provide for the registration services to be continued. In which case, we may then set the name-servers and the DNS settings for the domain name services, we may set the DNS to point to no IP address or to IP address(es) which host parking page(s) or a commercial search engine that may display paid advertisements, and we may change the contact information in the WHOIS output for the expired domain name so that you are no longer the listed registrant of the expired domain name. We do not have to pay you any of the proceeds we may earn as a result. We are not obliged to contact you to alert you that the domain name registration services are being continued. The domain name will be designated as being in the extended redemption grace period ("ERGP"), and you will be allowed to assume, during the first 120 days of the then extant registration term, complete management of the domain name services, including the right to control the DNS settings, provided that you pay the ERGP fee (which is the same as the RGP fee) plus any registration fees. After the end of the 120-day period, if you do not exercise your rights under this provision, you have abandoned the domain name services, and relinquish all interests and use of the domain name services; or
- iii. If we auctioned the domain name services to a third party, we may transfer the domain name registration services to such third party. In which case, the third party who won the auction for the domain name services will control the domain name services, including control over the WHOIS information and the DNS settings. You may recover the domain name registration services prior to the end of the reactivation period, as such reactivation period applied to you. We are not obliged to contact you to alert you that the domain name registration services are or were

auctioned. We do not have to pay you any of the proceeds we may earn as a result of such an auction.

#### 11. TRANSFERS:

- a. Transfer of your domain name(s) services shall be governed by ICANN's transfer policy, available at <http://www.icann.org/transfers/>, including the Registrar Transfer Dispute Resolution Policy, available at <http://www.icann.org/en/transfers/dispute-policy-12jul04.htm> as well as the UDRP and URS as described in Section 17 of this Agreement, as these policies may be modified from time to time. To transfer your domain name(s) you should first login to your Account to lock or unlock your domain name(s) and/or to obtain the EPP "AuthCode" which is required to transfer domain services in an EPP registry (such as .org). Alternatively, you should contact your Primary Service Provider to have your domain name(s) services locked or unlocked or to obtain the EPP "AuthCode." If your Primary Service Provider is unresponsive, you may contact us to have your domain name(s) locked or unlocked or to obtain the EPP "AuthCode" though we may first contact your Primary Service Provider to request that the Primary Service Provider address the request. Only the registrant and the administrative contacts listed in the WHOIS information may approve or deny a transfer request. Without limitation, domain name services may not be transferred within sixty (60) days of initial registration, within sixty (60) days of a transfer, if there is a dispute regarding the identity of the domain name registrant, if you are bankrupt, or if you fail to pay fees when due. We will follow the procedures for both gaining and losing registrars as outlined in ICANN's transfer policies. Transfer requests typically take five (5) business days to be processed. A transfer will not be processed if, during this time, the domain name registration services expire, in which event you may need to reinstate the transfer request following a redemption of the domain name, if any. You may be required to resubmit a transfer request if there is a communication failure or other problem at either our end or at the registry. YOU ASSUME ALL RISK FOR FAILURE OF A TRANSFER WHETHER OR NOT THE TRANSFER PROCESS IS INITIATED CLOSE TO THE END OF A REGISTRATION TERM.
- b. Upon initial registration, we may place a "Registrar Lock" ("ClientTransferProhibited" status) on your domain name services and this will prevent your domain name services from being transferred without your authorization, though we are not required to do so. By allowing your domain name services to remain locked, you provide express objection to any and all transfer requests until the lock is removed, which may be done within your Account.

12. OWNERSHIP OF INFORMATION AND DATA: We own all database, compilation, collective and similar rights, title and interests worldwide in our domain name database, and all information and derivative works generated from the domain name database. We own the following information for those registrations for which we are the registrar: (a) the original creation date of the registration, (b) the expiration date of the registration, (c) the name, postal address, e-mail address, voice telephone number, and where available fax number of the registrant and all contacts for the domain name registration, (d) any remarks concerning the registered domain name that appear or should appear in the WHOIS or similar database, and (e) any other information we generate or obtain in connection with the provision of Services, other than the domain name being registered, the IP addresses of the primary nameserver and any secondary nameservers for the domain name, and the corresponding names of those nameservers. We do not have any ownership interest in your specific personal registration information outside of our rights in our domain name database.

13. AGENTS AND LICENSES: If you are registering a domain name for or on behalf of someone else, you represent that you have the authority to bind that person as a principal to all terms and conditions provided herein. If you license the use of a domain name you register to us or a to third party, you remain the domain name holder of record, and remain responsible for all obligations at law and under this Agreement, including but not limited to payment obligations, and providing (and updating, as necessary) both your own full contact information, and accurate technical, administrative, billing and zone contact information adequate to facilitate timely resolution of any problems that arise in connection with the domain name and domain name registration and for ensuring non-infringement of any third party intellectual property rights or other rights.
14. LIMITATION OF LIABILITY: WE WILL NOT BE LIABLE FOR ANY (a) SUSPENSION OR LOSS OF THE SERVICES, (b) USE OF THE SERVICES, (c) INTERRUPTION OF SERVICES OR INTERRUPTION OF YOUR BUSINESS, (d) ACCESS DELAYS OR ACCESS INTERRUPTIONS TO OUR WEB SITE(S) OR SERVICES OR DELAYS OR ACCESS INTERRUPTIONS YOU EXPERIENCE IN RELATION TO A DOMAIN NAME REGISTERED WITH US; (e) LOSS OR LIABILITY RESULTING FROM ACTS OF OR EVENTS BEYOND OUR CONTROL (f) DATA NON-DELIVERY, MIS-DELIVERY, CORRUPTION, DESTRUCTION OR OTHER MODIFICATION; (g) THE PROCESSING OF AN APPLICATION FOR A DOMAIN NAME REGISTRATION; (h) LOSS OR LIABILITY RESULTING FROM THE UNAUTHORIZED USE OR MISUSE OF YOUR ACCOUNT IDENTIFIER OR PASSWORD; OR (i) APPLICATION OF ANY DISPUTE POLICY. NEITHER WE NOR YOUR PRIMARY SERVICE PROVIDER WILL BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING LOST PROFITS) REGARDLESS OF THE FORM OF ACTION WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EVEN IF WE OR YOUR PRIMARY SERVICE PROVIDER HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL OUR OR YOUR PRIMARY SERVICE PROVIDER'S MAXIMUM AGGREGATE LIABILITY EXCEED THE TOTAL AMOUNT PAID BY YOU FOR SERVICES, BUT IN NO EVENT GREATER THAN FOUR HUNDRED DOLLARS (US\$400.00). BECAUSE SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, IN SUCH STATES, OUR AND YOUR PRIMARY SERVICE PROVIDER'S LIABILITY SHALL BE LIMITED TO THE MAXIMUM EXTENT PERMITTED BY LAW.
15. INDEMNITY: You hereby release, indemnify, and hold us, ICANN, the registry operators, and your Primary Service Provider, as well as the contractors, agents, employees, officers, directors, shareholders, and affiliates of such parties harmless from and against any and all liabilities, claims, damages, costs and expenses, including reasonable attorneys' fees and court costs, for third party claims relating to or arising under this Agreement, including any breach of any of your representations, warranties, covenants or obligations set forth in this Agreement, the Services provided hereunder, or your use of the Services, including, without limitation, infringement or alleged infringement by you, or by anyone else using the Services, of any intellectual property or other right of any person or entity, or from the violation or alleged violation of any of our or ICANN's operating rules or policies relating to the Services provided. We may seek written assurances from you in which you promise to indemnify and hold us harmless from the costs and liabilities described in this paragraph. Such written assurances may include, in our sole discretion, the posting of a performance bond(s) or other guarantees reasonably calculated to guarantee payment. Your failure to provide such assurances may be considered by us to be a breach of this Agreement by you and may, in our sole discretion, result in loss of your right to control the disposition of domain name Services for which you

are the registrant and in relation to which we are the registrar of record. This indemnification is in addition to any indemnification (a) required under the UDRP, URS, or any other ICANN policy or any policy of any relevant registry; or (b) set forth elsewhere in this Agreement.

16. REPRESENTATIONS AND WARRANTIES: YOU REPRESENT AND WARRANT THAT NEITHER THE REGISTRATION OF A DOMAIN NAME NOR THE MANNER IN WHICH IT IS DIRECTLY OR INDIRECTLY USED NOR THE USE OF OTHER OF THE SERVICES INFRINGES THE LEGAL RIGHTS OF A THIRD PARTY OR WILL OTHERWISE SUBJECT US TO A LEGAL CLAIM. THE SERVICES ARE INTENDED FOR USE BY PERSONS WHO ARE AT LEAST EIGHTEEN (18) YEARS OLD AND BY USING THE SERVICES, YOU REPRESENT AND WARRANT THAT YOU ARE AT LEAST EIGHTEEN (18) YEARS OLD AND ALL INFORMATION PROVIDED BY YOU IN CONNECTION WITH YOUR PROCUREMENT OF THE SERVICES IS ACCURATE. ALL SERVICES ARE PROVIDED TO YOU "AS IS" AND WITH ALL FAULTS. EXCEPT FOR OUR STATEMENT REGARDING OUR ACCREDITATION AS ICANN-APPROVED DOMAIN NAME REGISTRARS, WE MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, UNLESS SUCH REPRESENTATIONS AND WARRANTIES ARE NOT LEGALLY EXCLUDABLE. WITHOUT ANY LIMITATION TO THE FOREGOING, WE MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER THAT REGISTRATION OR USE OF A DOMAIN NAME UNDER THIS AGREEMENT WILL IMMUNIZE YOU EITHER FROM CHALLENGES TO YOUR DOMAIN NAME REGISTRATION, OR FROM SUSPENSION, CANCELLATION OR TRANSFER OF THE DOMAIN NAME REGISTERED TO YOU. ANY MATERIAL AND/OR DATA DOWNLOADED OR OTHERWISE OBTAINED THROUGH THE USE OF OUR E-MAIL FORWARDING OR OTHER EMAIL SERVICE IS DONE AT YOUR OWN DISCRETION AND RISK AND YOU WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE TO YOUR COMPUTER SYSTEM OR LOSS OF DATA THAT RESULTS FROM THE DOWNLOAD OF SUCH MATERIAL AND/OR DATA. WE MAKE NO WARRANTY REGARDING ANY GOODS OR SERVICES PURCHASED OR OBTAINED THROUGH OUR E-MAIL SERVICES OR ANY TRANSACTIONS ENTERED INTO THROUGH OUR E-MAIL SERVICES. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM US SHALL CREATE ANY WARRANTY NOT EXPRESSLY MADE HEREIN. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES, SO SOME OF THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU.
  
17. DISPUTE RESOLUTION POLICY: You are bound by all ICANN consensus policies and all policies of any relevant registry, including but not limited to: (i) the Uniform Domain Name Dispute Resolution Policy ("UDRP"), which is available at <http://www.icann.org/udrp/udrp-rules-24oct99.htm> and <http://www.icann.org/dndr/udrp/policy.htm> along with the UDRP Rules and all Supplemental Rules of any UDRP provider; and (ii) the Uniform Rapid Suspension System ("URS"), which is available at <http://newgtlds.icann.org/en/applicants/urs>, along with the URS Rules and all Supplemental Rules of any URS provider. The UDRP and URS may be changed by ICANN (or ICANN's successor) at any time. If the registration or reservation of your domain name is challenged by a third party, you will be subject to the provisions specified in the UDRP and URS in effect at the time your domain name registration is disputed by the third party. In the event a domain name dispute arises with any third party, you will indemnify and hold us harmless pursuant to the terms and conditions of the UDRP and URS. If you or your domain name is the subject of litigation, we may

deposit control of your domain name record into the registry of the judicial body by providing a party with a registrar certificate.

18. GOVERNING LAW AND JURISDICTION FOR DISPUTES:

- a. Except as otherwise set forth in the UDRP, URS, or any similar ccTLD policy, with respect to any dispute over a domain name registration, this Agreement, your rights and obligations and all actions contemplated by this Agreement shall be governed by the laws of the United States of America and the State of Washington, as if the Agreement was a contract wholly entered into and wholly performed within the State of Washington.
- b. Any dispute, claim or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of the agreement to arbitrate, shall be determined by arbitration in King County, Washington, before one arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the Award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. Service of process on you by us in relation to any dispute arising under this Agreement may be served upon you by first class mail to the address listed by you in your Account and/or domain name WHOIS information or by electronically transmitting a true copy of the papers to the email address listed by you in your Account and/or domain name WHOIS information.
- c. Notwithstanding the foregoing, for the adjudication of third party disputes (i.e., disputes between you and another party, not us) concerning or arising from use of domain names registered hereunder, you shall submit without objection, without prejudice to other potentially applicable jurisdictions, to the subject matter and personal jurisdiction of the courts (i) of the domicile of the registrant as it appears in the public WHOIS record for the domain name(s) in controversy, and (ii) where we are located, currently those State or federal courts whose geographic districts include Bellevue, Washington.

19. NOTICES: Any notices required to be given under this Agreement by us to you will be deemed to have been given if delivered in accordance with the Account and/or domain name WHOIS information you have provided.

20. ADDITIONAL REGISTRY REQUIREMENTS. Some [registries](#) have additional contractual requirements that you agree to by registering domain names from those [registries](#). You are responsible for reviewing any terms and conditions applicable to or provided by such [registries](#).

21. GENERAL: The parties hereby incorporate the requirements of 41 CFR 60-1.4(a), 300.5(a) and 741.5, if applicable. This Agreement and all applicable ICANN policies and the policies of any relevant registry, including but not limited to the UDRP and URS, together with all modifications, constitute the complete and exclusive agreement between you and us, and supersede and govern all prior proposals, agreements, or other communications. Nothing contained in this Agreement shall be construed as creating any agency, partnership, or other form of joint enterprise between the parties. The failure of us to require your performance of any provision hereof shall not affect the full right to require such performance at any time thereafter; nor shall the waiver by us of a breach of any provision hereof be taken or held to be a waiver of the provision itself. In the event that any provision of this Agreement shall be unenforceable or invalid under any applicable law or be so held by

applicable court decision, such unenforceability or invalidity shall not render this Agreement unenforceable or invalid as a whole. We will amend or replace such provision with one that is valid and enforceable and which achieves, to the extent possible, our original objectives and intent as reflected in the original provision. This Agreement may not be amended or modified by you except by means of a written document signed by both you and an authorized representative of us. The parties hereby incorporate the requirements of 41 CFR 60-1.4(a), 300.5(a) and 741.5, if applicable.

## Registration Agreement

### Namecheap, Inc. Registration Agreement

This Registration Agreement ("Agreement") sets forth the terms and conditions of your use of domain name registration and related services ("Services"). In this Agreement "you" and "your" refer to you or any agent, employee, servant or person authorized to act on your behalf, and the registrant listed in the WHOIS contact information for the domain name. "We", "us" and "our" refer to Namecheap, Inc., as well as its subsidiaries and sister companies ("Namecheap"). This Agreement explains our obligations to you, and explains your obligations to us for various services offered by Namecheap. When you use your account or permit someone else to use it to purchase or otherwise acquire access to additional Namecheap service(s) or products or to cancel your Namecheap service(s) (even if we were not notified of such authorization), this Agreement covers such service or actions.

#### 1. You agree to this agreement and the referenced agreements

By using the service(s) provided by Namecheap under this Agreement, you acknowledge that you have read and agree to be bound by all terms and conditions of this Agreement, the accompanying dispute policy and any pertinent rules or policies that are or may be published by Namecheap, the Uniform Dispute Resolution Policy ("UDRP") described below, and the rules, policies, or agreements published in association with specific of the Service(s) and/or which may be enforced by Internet Corporation of Assigned Names and Numbers ("ICANN"), the registries, and governments.

- If you are registering a domain name in the following registries: .AU, .BZ, .CA, .CC, .CH, .CM, .CN, .CO, .DE, .ES, .EU, .FR, .LI, .IN, .IO, .ME, .NU, .PE, .SG, .TV, .UK, .US, .WS, you are also agreeing to the additional terms and requirements promulgated by and pertaining to each such registry, as set out in the [Supplemental Agreement](#) and the specific agreements and/or covenants referenced therein and incorporated into this Agreement.
- If you are enrolling in the WhoisGuard™ privacy protection services, you also agree to the [WhoisGuard™ Service Agreement](#).
- If you are ordering an SSL certificate, you also agree to the [SSL Service Agreement](#).
- If you are enrolling in the Namecheap Affiliate Program, you also agree to the [Affiliate Program Service Agreement](#).

## 2. Changes to agreement

This Agreement will change over time in response to changes in the requirements of governments and administrative bodies, legislation and changes in the nature of industry. If, as a result of such a change to this Agreement, you no longer agree with its term, you agree that your exclusive remedy is to transfer your domain name registration services to another registrar or request Namecheap to cancel your domain name registration and/or related Services. Should you elect to cancel the Agreement with Namecheap, you will not receive a refund for any fees you may have paid to Namecheap. If you continue to use the Services following a change in this Agreement and/or the Services, your continued use of the Services indicates your consent to the changes. Any such revision or change will be binding and effective within 30 calendar days of the date on which the revised Agreement or change to the terms of the Service(s) is posted to the website of Namecheap or 15 calendar days after notification of the change in terms is sent to the e-mail address provided by you in association with your domain name registration. You agree to review this Agreement periodically to make yourself aware of any such revisions.

## 3. Term

The term of this Agreement shall continue in full force and effect as long as you have any domain name registered through Namecheap or as long as you are employing any Service(s). You agree that you will not transfer any domain name registered through Namecheap to another domain name registrar during the first sixty (60) calendar days from its initial registration date.

## 4. Service(s) provided at will and termination of service(s)

We may reject your domain name registration application or elect to discontinue providing Service(s) to you for any reason within 30 days of a Service initiation or a Service renewal. Outside of this period, we may terminate or suspend the Service(s) at any time for cause, which, without limitation, includes registration of prohibited domain name(s), abuse of the Services, payment irregularities, material allegations of illegal conduct, or if your use of the Services involves us in a violation of any Internet Service Provider's ("ISP's") acceptable use

policies, including the transmission of unsolicited bulk email. You agree that if we terminate or suspend the Services provided to you under this Agreement, that we may then, at our option, make either ourselves or a third party the beneficiary of Services which are substantially similar to those which were previously providing to you and that any reference in this Agreement to termination or suspension of the Services to you includes this option. If we have grounds to terminate or suspend Service(s) with respect to one domain name or in relation to other Service(s) provided through your account, we may terminate or suspend all Service(s) provided through your account, including Service(s) to other domain names maintained by you with us. No fee refund will be made when there is a suspension or termination of Service(s) for cause. At any time and for any reason, we may terminate the Services thirty (30) days after we send notice of termination via mail or email, at our option, to the WHOIS contact information provided in association with your domain name registration. Following notice of termination other than for cause, you must transfer your domain name or risk that we may delete your domain name or suspend or modify Services to it. If we terminate Services for a reason other than cause, we will attempt to refund your fees. You further acknowledge and agree that your registration of a domain name is subject to suspension, cancellation or transfer by any ICANN procedure, by any registrar or registry administrator procedures approved by an ICANN-adopted policy, to correct mistakes by us, another registrar or the registry administrator in administering the domain name or for the resolution of disputes concerning the domain name. You agree that your failure to comply completely with the terms and conditions of this agreement and any Namecheap rule or policy may be considered by Namecheap to be a material breach of this agreement and that Namecheap may provide you with notice of such breach either in writing or electronically (i.e. email). In the event you do not provide Namecheap with material evidence that you have not breached your obligations to Namecheap within ten (10) business days, Namecheap may terminate its relationship with you and take any remedial action available to Namecheap under the applicable laws. Such remedial action may be implemented without notice to you and may include, but is not limited to, canceling the registration of any of your domain names and discontinuing any services provided by Namecheap to you.

## 5. Our Services

- **Domain name registration.** We are an accredited registrar with the Internet Corporation for Assigned Names and Numbers ("ICANN") for Top Level Domain Names ("TLDs") (such as .com, .net, .org, etc.). ICANN oversees registrations and other aspects of the TLDs. Domain name registrations are not effective until the registry administrator puts them into effect. Domain name registrations are only for limited terms, terms which end on the expiration date. For domain names which are created as a new registration out of the available namespace, the term begins on the date the domain name registration is acknowledged by the applicable registry; for domain names registrations which were not returned to the available namespace, the term begins on the date the previous registrant's domain name registration was acknowledged by the applicable registry. You agree that we are not liable or responsible in any way for any errors, omissions or any other actions by the registry administrator arising out of or related to a request to register, renew, modify the settings

for, or transfer of a domain name registration (our limitation of liability is explained further, below). You further agree that domain name registration is a service, that domain name registrations do not exist independently from services provided pursuant to this or a similar registration agreement with a registrar, and that domain name registration services do not create a property interest.

- **After market domain names.** We offer for sale domain names that are registered to third parties (also known as aftermarket domain names) in a variety of top level domain names ("TLDs") ("After Market Domain Name(s)"). All After Market Domain Name registrations are offered on a first come, first served basis. If you are the first to complete an After Market Domain Name registration application for a particular domain name, including payment of the purchase price we designate, we will initiate a transfer of the relevant After Market Domain Name to your Account. If the After Market Domain Name is at another domain registrar at the time of your purchase, we will transfer your purchased After Market Domain Name to us at no cost to you and will add one year to the existing registration period. Any subsequent renewals of the After Market Domain Name will be charged at the then-current renewal fee. Once you submit your order for an After Market Domain Name, you have entered into a valid, binding and enforceable contract to pay the designated purchase price for the After Market Domain Name. Because we are selling After Market Domain Names initially registered to third parties, we have no control and make no representations regarding the accuracy or legality of domain names advertised, the accuracy or legality of any domain name listing, or the right and the ability of the third party seller to transfer the After Market Domain Name or complete the transaction. We do not control whether or not third party sellers will complete a transaction. We reserve the right to reject or cancel your After Market Domain Name registration for any reason including, but not limited to, any pricing errors. In the event your After Market Domain Name registration is rejected or cancelled by us, for any reason, we will refund in full the amount of the purchase price for the After Market Domain Name as your sole remedy.

Once the After Market Domain Name is transferred into your Account, such After Market Domain Name may not be transferred away from us to another registrar during the first 60 days following the transfer, during which time the After Market Domain Name may be placed on transfer lock. All of your obligations under this Agreement which apply to the registration or renewal of domain name(s) created by you apply to any After Market Domain Name(s) acquired by you, including but not limited to prohibition against any Illegal Uses.

## 6. Agreement not to use "services" for improper purpose

You agree not to use the Services provided by Namecheap, or to allow or enable others, to use the services provided by Namecheap for the purposes of: 1) the transmission of unsolicited email (Spam); or 2) repetitive, high volume inquiries into any of the services provided by Namecheap (i.e. domain name availability, etc.). Further, if you are hosting your domain's domain name servers ("DNS") on Namecheap's servers, or are using our systems to forward a domain, URL, or otherwise to a system or site hosted elsewhere, or if you have

your domain name registered with Namecheap, you are responsible for ensuring that there is no excessive overloading of Namecheap's DNS systems. You may not use Namecheap's servers and your domain as a source, intermediary, reply to address, or destination address for mail bombs, Internet packet flooding, packet corruption, or other abusive attack. Server hacking or other perpetration of security breaches is prohibited. You agree that Namecheap reserves the right to deactivate your domain name from its DNS system if Namecheap deems it is the recipient of activities caused by your site that threaten the stability of its network.

You agree that Namecheap, in its sole discretion and without liability to you, may refuse to accept the registration of any domain name. Namecheap also may in its sole discretion and without liability to you delete the registration of any domain name during the first five (5) days after registration has taken place.

## 7. Your obligations to ensure entitlement to use domain name

Without limitation, the following are not included in the Services: We cannot and do not check to see whether the domain name(s) you select, or the use you make of the domain name(s), or other of the Service(s), infringes legal rights of others. It is your responsibility to know whether or not the domain name(s) you select or use infringes legal rights of others. We might be ordered by a court to cancel, modify, or transfer your domain name; it is your responsibility to list accurate contact information in association with your account and to communicate with litigants, potential litigants, and governmental authorities. It is not our responsibility to forward court orders or other communications to you. We will comply with court orders unless you contact us to contest the order.

## 8. Threatened legal action(s)

If we are sued or threatened with a lawsuit, an administrative proceeding or any other legal or administrative proceeding in connection with Service(s) provided to you, we may turn to you to indemnify us and to hold us harmless from the claims and expenses (including attorney's fees and court costs). Under such circumstances, you agree that you will, upon demand, obtain a performance bond with a reputable bonding company or, if you are unable to obtain a performance bond, that you will deposit money with us to pay for our reasonably anticipated expenses in relation to the matter for the coming year. Such deposit will be drawn down as expenses are incurred, with all account notices sent to the WHOIS contact information provided in association with your domain names and/or account. We shall not be obliged to extend you any credit in relation to such expenses and we may terminate the Services for a failure to make or renew such a deposit. We will return any unused deposit upon the later of three (3) months from deposit or the conclusion of the matter.

## 9. Dispute resolution policy

You agree to the Uniform Domain Name Dispute Resolution Policy ("UDRP"), a copy of which is available at <http://www.icann.org/udrp/udrp-rules-24oct99.htm> and <http://www.icann.org/dndr/udrp/policy.htm>. You agree that the UDRP may be changed by

ICANN (or ICANN's successor) at any time and that such a change will be binding upon you. You agree that, if the registration or reservation of your domain name is challenged by a third party, you will be subject to the provisions specified in the UDRP in effect at the time your domain name registration is disputed by the third party. You also agree that, in the event a domain name dispute arises with any third party, you will indemnify and hold us harmless pursuant to the terms and conditions of the UDRP. You also understand that it is important for you to regularly monitor email sent to the email address associated with your account and domain names because, among other reasons, if a dispute arises regarding Services provided to you, you may lose your rights to receive the Services if you do not respond expeditiously to an email sent in conjunction therewith.

## 10. Fees and payments

As consideration for the Service(s), renewal of the Service(s), and, if you select it, automatic renewal of the Service(s), you agree to pay, prior to the effectiveness of the desired Service(s), the applicable Service(s) fees. All fees are non-refundable, in whole or in part, even if your domain name registration is suspended, cancelled or transferred prior to the end of your then current registration term, unless this Agreement or the [Namecheap Refund Policy](#) specifically provides for a refund. You may pay for Services by providing a valid credit or debit card, an electronic check (from your personal or business checking account, as appropriate), PayPal, Bitcoin, Dwolla, or any other payment method then accepted by Namecheap (each, a "Payment Method"); provided, however, that we may at our option require that you pay fees through a particular payment means (such as by credit card or by wire transfer) or that you change from one payment provider to another. Namecheap expressly reserves the right to change or modify its prices and fees at any time, and such changes or modifications shall be posted online on the Namecheap website and effective immediately without need for further notice to you. If you have purchased the Service(s) for a period of months or years, changes or modifications in prices and fees shall be effective when the Service(s) in question come up for renewal as further described below. For our current fee structure, you may access the schedule of fees available on the Namecheap website: New Registration Fees Renewal Fees Post-Expiration Renewal Fees Redemption Fees In the event of a refund, Namecheap will issue you a refund receipt to confirm its submission of your refund to the Payment Method charged at the time of the original purchase. You acknowledge and agree that the associated payment provider and/or individual issuing bank establish and regulate the time frames for posting your refund. Refund posting time frames may range from five (5) business days to a full billing cycle. If Namecheap is for any reason unable to charge your chosen Payment Method for the full amount owed for the Services provided, or if Namecheap is charged a penalty for any fee previously charged to your Payment Method, you agree that Namecheap may pursue all available lawful remedies in order to obtain payment. You agree that the remedies Namecheap may pursue in order to effect payment shall include, but not be limited to, suspension of Services, cancellation of domain names registered through our Services, and/or suspension of access to any and all accounts you have with us and/or your Primary Service Provider; and that all rights to and interest in and use of any domain name registration(s) services, website hosting, and/or email services, including all data hosted on

our systems shall be assumed by us in satisfaction of any indebtedness by you to us. We will reinstate your rights to and control over these Services solely at our discretion, and subject to our receipt of the unpaid fee(s) and our reinstatement fee, currently set at \$200 (US Dollars). Charges for the Service(s) will be billed to your chosen Payment Method as charges for "NAME-CHEAP.COM." Namecheap also reserves the right to charge you reasonable "administrative fees" or "processing fees" for (i) tasks Namecheap may perform outside the normal scope of its Services, (ii) additional time and/or costs Namecheap may incur in providing its Services, and/or (iii) your noncompliance with this Agreement (as determined by Namecheap in its sole and absolute discretion). Typical scenarios include, but are not limited to, customer service issues that require additional personal time or attention, fees incurred by third-party payment providers such as PayPal, Dwolla or Alipay, fees incurred as the result of chargebacks or other payment disputes brought by you, your bank, or a Payment Method processor, and disputes that require accounting or legal services. These administrative fees or processing fees will be billed to the Payment Method you have on file with Namecheap.

## 11. Payment

In the event of a charge back by a credit card company (or similar action by another payment provider allowed by us) in connection with your payment of fees for any Service(s), you agree that we may suspend access to any and all accounts you have with us and/or your Primary Service Provider and that all rights to and interest in and use of any domain name registration(s) services, website hosting, and/or email services, including all data hosted on our systems shall be assumed by us in satisfaction of any indebtedness by you to us. We will reinstate your rights to and control over these Services solely at our discretion, and subject to our receipt of the unpaid fee(s) and our reinstatement fee, currently set at \$200 (US Dollars). Charges for the Service(s) which use our credit card payment processor will be identified on your credit card statement as "NAME-CHEAP.COM".

## 12. Expiration and renewal of service(s) and notifications of expiration

You acknowledge that it is your responsibility to keep your own records and to maintain your own reminders regarding when your domain name registration or other Services are set to expire. However, ICANN requires, pursuant to its Expired Registration Recovery Policy ("ERRP") that Namecheap follow certain procedures to notify you in advance that renewal fees are due. Pursuant to the ERRP, Namecheap will notify the registered name holder of the expiring domain name twice before the expiration date, once approximately one month before the subject domain's expiration date and again approximately one week before the subject domain's expiration date. Namecheap's renewal reminder will consist of an email message sent to the registered domain holder's email address as it is listed in the expiring domain's whois record. Further, Namecheap reserves the option, but not the obligation, to send additional renewal reminder notices to any other email addresses associated with the expiring domain, including, but not limited to, the email address of the expiring domain's account holder or the billing contact of the expiring domain's whois record. Namecheap also

reserves the option, but not the obligation, to send additional renewal reminders at times other than the times required by the ERRP.

Should these fees go unpaid, your Services will expire or be cancelled. Payment must be made by credit card or such other method as we may allow or require from time to time. If you select automatic renewal of the Service(s), we may attempt to renew the Service(s) a reasonable time before expiration, provided you have sufficient balance in your Namecheap account and up to date. You acknowledge and agree that, while we are not required to, we may contact you with a request to update your account information in the event that an attempted transaction is not processed successfully.

You acknowledge that it is your responsibility to keep your billing information up to date. You acknowledge and understand that, as part of its management of user registrations, Namecheap sends out periodic notices to registrants apprising them of payment deadlines, pending expiration deadlines and other important information affecting your account and, specifically, registration of domain names.

Specifically, any notifications regarding domain registrations, including but not limited to notifications consisting of pre-expiration and post-expiration notifications concerning your registered domains will be sent to you pursuant to ICANN's policies, including, but not limited to, the ERRP. Where appropriate, Namecheap will send such notices to the e-mail address of the subject domain's registered domain holder, the e-mail address you provided as your contact information in connection with your account associated with the subject domain, and/or any other email address that Namecheap determines, in its sole discretion, to be sufficiently related to the subject domain to warrant notice.

You therefore acknowledge and agree that it is your responsibility to provide and maintain accurate account information and domain name whois information, as more fully addressed in Paragraph 13 below, so that Namecheap may provide you with important notices regarding your account.

### 13. Accurate account contact information and domain name whois information

As further consideration for the Service(s), you agree to provide certain current, complete and accurate information about you, both with respect to your account information and with respect to the WHOIS information for your domain name(s). You agree to maintain and update this information as needed to keep it current, complete and accurate. With respect to you, the administrative, technical, and billing contacts for your domain name registration(s) and other Service(s), you must submit the following: name, postal address, e-mail address, voice telephone number, and, if available, fax number. You agree that the type of information you are required to provide may change and you understand that, if you do not provide the newly required information, your registration or and/or other Service(s) may be suspended or

terminated or may not be renewed. In the event the lack of accurate/current contact information results in the loss, cancellation or transfer of the domain name(s) associated with your account, you agree that you shall not hold Namecheap liable for any such loss or any damages associated with the loss. Not providing requested information may prevent you from obtaining all Service(s). You may provide information regarding the name-servers assigned to your domain name(s) and, if we are providing name-server services to you, the DNS settings for the domain name.

You agree to notify Namecheap within five (5) business days when any of the information you provided as part of the application and/or registration process changes. It is your responsibility to keep this information in a current and accurate status. Failure by you, for whatever reason, to provide Namecheap with accurate and reliable information on an initial and continual basis, shall be considered to be a material breach of this Agreement. Failure by you, for whatever reason, to respond within five (5) business days to any inquiries made by Namecheap to determine the validity of information provided by you, shall also be considered to be a material breach of this agreement. You agree to retain a copy for your record of the receipt for purchase of your domain name or Services.

You acknowledge and agree that domain name registration requires that this contact information, in whole or in part, be shared with the registry operator. As required by ICANN, this information must also be made publicly available by means of Whois, and that the registry operator may also be required to make this information publicly available by Whois. Both Namecheap and the registry operator may be required to archive this information with a third party escrow service. You hereby consent and give permission for all such requirements and disclosures. Further, you represent and warrant that, if you are providing information about a third party, you have notified the third party of the disclosure and the purpose for the disclosure and you have obtained the third party's consent to such disclosure.

## 14. Obligations and representations relating to the account and whois contact information

In the event that, in registering a domain name or obtaining other Service(s), you provide information about or on behalf of a third party, you represent that you have (a) provided notice to that third party of the disclosure and use of that party's information as set forth in this Agreement, and (b) that you have obtained the third party's express consent to the disclosure and use of that party's information as set forth in this Agreement. Further, when registering a domain name on behalf of a third party, you agree to inform any customer of yours, who may be acquiring a domain name through you using Namecheap's registration services, that they are in fact registering their domain name through Namecheap and that Namecheap or its provider is an accredited registrar with ICANN. You agree not to represent that you are an ICANN accredited registrar or that you are in any way providing superior access to the ICANN Domain Name Registry. You also agree not to use the ICANN trademark logo in any of your promotional materials including your web site. By registering a domain

name or applying for other Service(s) you also represent that the statements in your application are true and you also represent that the domain name is not being registered or the Services being procured for any unlawful purpose. You acknowledge that providing inaccurate information or failing to update information promptly will constitute a material breach of this Agreement and will be sufficient basis for suspension or termination of Services to you. As indicated elsewhere in this Agreement, you understand that it is important for you to regularly monitor email sent to the email address associated with your account and WHOIS contact information because, among other reasons, if a dispute arises regarding a domain name(s) or other Service(s), you may lose your rights to the domain name(s) or your right to receive the Service(s) if you do not respond appropriately to an email sent in conjunction therewith.

## 15. Account Security

Please safeguard your account access credentials (including but not limited to your customer username/login, support pin code, password) from any unauthorized use. You agree that any person in possession of your account login identifier and password will have the ability and your authorization to modify your account and domain name information. We will take reasonable precautions to protect the information we obtain from you from loss, misuse, unauthorized access or disclosure, alteration or destruction of that information and that such reasonable precautions include procedures for releasing account access information to parties who claim to have lost account access information. You agree that, if we take reasonable precautions in relation thereto, that IN NO EVENT SHALL WE BE LIABLE IF SUCH REASONABLE PRECAUTIONS DO NOT PREVENT THE UNAUTHORIZED USE OR MISUSE OF YOUR ACCOUNT IDENTIFIER OR PASSWORD AND THAT, EVEN IF WE FAIL TO TAKE REASONABLE PRECAUTIONS, THAT OUR LIABILITY UNDER ANY CIRCUMSTANCES SHALL BE LIMITED BY THE LIMITATION OF LIABILITY PROVISION FOUND BELOW IN THIS AGREEMENT. If you contact us alleging that a third party has unauthorized access to your account or domain names, you agree that we may charge you administrative fees of \$50 (US dollars) per hour for our time spent in relation to the matter, regardless of whether or not we return control over the account and/or domain names to you.

## 16. Transfers of domain names

You agree that transfer of your domain name(s) services shall be governed by ICANN's transfer policy, available at <http://www.icann.org/transfers/>, as this policy may be modified from time to time. You agree that we may place a "Registrar Lock" on your domain name services and that this will prevent your domain name services from being transferred without your authorization, though we are not required to do so. By allowing your domain name services to remain locked, you provide express objection to any and all transfer requests until the lock is removed. To transfer your domain name(s) you should first login to your account to lock or unlock your domain name(s) and/or to obtain the EPP "AuthCode" which is required to transfer domain services in an EPP registry (such as .org). Only the registrant and the administrative contacts listed in the WHOIS information may approve or deny a transfer

request. Without limitation, domain name services may not be transferred within 60 calendar days of initial registration, within 60 calendar days of a transfer, if there is a dispute regarding the identity of the domain name registrant, if you are bankrupt, or if you fail to pay fees when due. Transfer requests typically take five business days to be processed. A transfer will not be processed if, during this time, the domain name registration services expire in which event you may need to reinstate the transfer request. You may be required to resubmit a transfer request if there is a communication failure. AS A CONSEQUENCE, YOU ACKNOWLEDGE THAT YOU ASSUME ALL RISK FOR FAILURE OF A TRANSFER IF THE TRANSFER PROCESS IS INITIATED CLOSE TO THE END OF A REGISTRATION TERM.

## 17. Privacy Policy

You agree and consent that we will make available the domain name registration information you provide or that we otherwise maintain to the following parties: ICANN, the registry administrator(s), and to other third parties as ICANN and applicable laws may require or permit (including through web-based and other on-line WHOIS lookup systems), whether during or after the term of your domain name registration services of the domain name. You hereby irrevocably waive any and all claims and causes of action you may have arising from such disclosure or use of such information. Additionally, you acknowledge that ICANN may establish or modify the guidelines, limits and/or requirements that relate to the amount and type of information that we may or must make available to the public or to private entities, and the manner in which such information is made available. Information regarding ICANN's guidelines and requirements regarding WHOIS can be found at <http://www.icann.org/registrars/wmrp.htm>, <http://www.icann.org/registrars/wdrp.htm>, and elsewhere on the ICANN website at <http://www.icann.org/index.html>. You agree that we may make publicly available, or directly available to third parties, some, or all, of the information you provide, for purposes of inspection (such as through our WHOIS service) or for targeted marketing and other purposes as required or permitted by applicable laws. One of the ways that we may make some or all of the information you provide available to the public or third parties is by way of bulk WHOIS data access provided to third parties who enter into a bulk WHOIS data access agreement with us. We reserve the right to discontinue providing bulk WHOIS data access to third parties. You agree that, to the extent permitted by ICANN policies and regulations, Namecheap may make use of the publicly available information you provided during the registration process. If you engage in the reselling of domain names you agree to provide any individuals whose personal information you've obtained, information about the possible uses of their personal information pursuant to ICANN policy. You also agree to obtain consent, and evidence of consent, from those individuals for such use of the personal information they provide.

## 18. Ownership of information and data

You agree and acknowledge that we own all database, compilation, collective and similar rights, title and interests worldwide in our domain name database, and all information and derivative works generated from the domain name database. You further agree and

acknowledge that we own the following information for those registrations for which we are the registrar: (a) the original creation date of the registration, (b) the expiration date of the registration, (c) the name, postal address, e-mail address, voice telephone number, and where available fax number of all contacts for the domain name registration, (d) any remarks concerning the registered domain name that appear or should appear in the WHOIS or similar database, and (e) any other information we generate or obtain in connection with the provision of domain name registration services, other than the domain name being registered, the IP addresses of the primary nameserver and any secondary nameservers for the domain name, and the corresponding names of those nameservers. We do not have any ownership interest in your specific personal registration information outside of our rights in our domain name database.

## 19. Agents

You agree that, if you are registering a domain name for or on behalf of someone else, you represent that you have the authority to nonetheless bind that person as a principal to all terms and conditions provided herein. You agree that if you license the use of the domain name registered to you to a third party, you nonetheless remain the domain name holder of record, and remain responsible for all obligations under this Agreement, including but not limited to payment obligations, and providing (and updating, as necessary) both your own full and accurate contact information, and accurate technical, administrative, billing and zone contact information adequate to facilitate timely resolution of any problems that arise in connection with the domain name and domain name registration.

## 20. Trademark or copyright claims

Namecheap is a service provider and respects the copyrights, trademarks and other intellectual property rights of others. To the extent Namecheap receives a proper notice of infringement of copyright, trademark or other intellectual property, Namecheap reserves the right to access, preserve and disclose to third parties any of Your information or data (including personally identifiable information and private communications) related to a written complaint of infringement if Namecheap believes in its sole discretion that such access, preservation, or disclosure is necessary or useful to respond to or otherwise address such complaint.

Namecheap expressly reserves the right to terminate in appropriate circumstances an account or the access rights of a subscriber for repeated copyright infringement. Namecheap also reserve the right to terminate an account or subscriber for even one instance of infringement.

Proper notice of infringement shall include the following information in writing to Namecheap's designated agent:

- the electronic or physical signature of the rights holder or the person authorized to act on behalf of that person;
- identification of the work that has been infringed;
- an identification of the material that is claimed to be infringing, and information reasonably sufficient to permit Namecheap to locate the material (for example, by providing a URL to the material); or, if applicable, identification of the reference or link to material or activity claimed to be infringing, and information reasonably sufficient to permit Namecheap to locate that reference or link;
- Your name, address, telephone number, and email address;
- a statement by You that You have a good faith belief that the disputed use is not authorized by the rights holder, its agent, or the law; and
- a statement that the information in Your notification is accurate and a statement, made under penalty of perjury, that You are the rights holder or are authorized to act on the behalf of the rights holder.

Namecheap's designated agent to receive notification of claimed infringement can be reached at Attn: Legal Department, Namecheap.com, 11400 W. Olympic Blvd., Suite 200, Los Angeles, CA 90064, USA, Facsimile: (310) 312-9513.

## 21. Use of free services

In consideration for providing additional optional Services for which we do not charge an additional fee, including, but not limited to, URL forwarding, email forwarding, free parking page, free website hosting, free email services, or other services which we may introduce from time to time but for which there is not a separate fee ("Free Services"), you agree that, if you use such Free Services, we may display advertising in conjunction therewith through the use of pop-up or pop-under browser windows, banner advertisements, audio or video streams, appendices to emails, or other similar advertising means, and that we may aggregate related usage data by means of cookies and other similar means. You agree that from time to time we may provide you with free or low-cost domain name(s) services ("Promotional Name(s)"). If we do so, the services for the Promotional Name(s) will be placed in the same account as your other domain name(s) and you will be listed as the registrant, though we may point the Promotional Name to IP address(es) of our choosing. If you want to assume control over the services provided to the Promotional Name, including the right to transfer or push the Promotional Name service to other registrars or other accounts or the ability to control the DNS settings for the Promotional Name, you must pay the promotional registration fee or renewal fee, if any, and agree to the terms of this Agreement with respect to such Promotional Name(s). If you do not want the Promotional Name services, you may request that you be removed as the registrant of such Promotional Names and we will be listed as the domain name registrant. Alternatively, you may contact us or your Primary Service Provider to request that we delete the Promotional Name from the namespace. For any domain name services, including these Promotional Names, for which you are listed as

registrant but for which you do not pay the registration or renewal fee, you agree that we may assign name-servers to the domain name and point the domain name to IP address(es) designated by us until the registration or renewal fee is paid.

## 22. After expiration of the term of a domain name registration

Immediately after the expiration of the term of domain name registration services and before deletion of the domain name in the applicable registry's database, you acknowledge that we may direct the domain name to name-servers and IP address(es) designated by us, including, without limitation, to no IP address or to IP address(es) which host a parking page or a commercial search engine that may display advertisements, and you acknowledge that we may either leave your WHOIS information intact or that we may change the contact information in the WHOIS output for the expired domain name so that you are no longer the listed registrant of the expired domain name.

Reactivation Period Process. For a period of approximately 27 days after expiration of the term of domain name registration services, you acknowledge that we may provide a procedure by which expired domain name registration services may be renewed. You acknowledge and agree that we may, but are not obligated to, offer this process, called the "reactivation period." You acknowledge that you assume all risks and all consequences if you wait until close to or after the expiration of the original term of domain name registration services to attempt to renew the domain name registration services. You acknowledge that we, for any reason and in our sole discretion, may choose not to offer a reactivation period and that we shall not be liable therefore. You acknowledge that reactivation period renewal processes, if any, may involve additional fees which we and your Primary Service Provider may determine. You acknowledge and agree that we may make expired domain name services(s) available to third parties, that we may auction off the rights to expired domain name services (the auction beginning close to the end or after the end of the reactivation period), and/or that expired domain name registration services may be re-registered to any party at any time.

After the reactivation period, you agree that we may either (i) discontinue the domain name registration services at any time thereafter, (ii) that we may pay the registry's registration fee or otherwise provide for the registration services to be continued, or, (iii) if we auctioned the domain name services to a third party, that we may transfer the domain name registration services to such third party.

In the case of (i), above, you acknowledge that certain registry administrators may provide procedures by which discontinued domain name registration services may nonetheless be renewed. You acknowledge and agree that we may, but are not obligated to, participate in this process, typically called the "Redemption Grace Period" ("RGP"). You acknowledge that we, for any reason and in our sole discretion, may choose not to participate in the RGP process with respect to any or all of your domain name registration services and that we shall not be liable therefore. If available, RGP typically ends between 30 and 42 days after the end

of the reactivation period of the domain name services, as the reactivation period applied to you. The typical RGP fee is \$200 plus any registration fees. You agree that we are not obliged to contact you to alert you that the domain name registration services are being discontinued.

In the case of (ii), above, you acknowledge that we may then set the name-servers and the DNS settings for the domain name services, that we set the DNS to point to no IP address or to IP address(es) which host parking page(s) or a commercial search engine that may display paid advertisements, and you acknowledge that we may change the contact information in the WHOIS output for the expired domain name so that you are no longer the listed registrant of the expired domain name. You acknowledge that we do not have to pay you any of the proceeds, if any, we may earn as a result. You agree that we are not obliged to contact you to alert you that the domain name registration services are being continued. In this case, the domain name will be designated as being in the extended redemption grace period ("ERGP"), and you will be allowed to assume, during the first 120 days of the then extant registration term, complete management of the domain name services, including the right to control the DNS settings, provided that you pay a fee of \$200 (US dollars) plus any registration fees. After the end of the 120-day period, if you do not exercise your rights under this provision, you agree that you have abandoned the domain name services, and relinquish all rights and use of the domain name services.

In the case of (iii), above, the third party who won the auction for the domain name services will control the domain name services, including control over the WHOIS information and the DNS settings. You may recover the domain name registration services for a period of up to 40 days after the end of the reactivation period, as such reactivation period applied to you. You agree that we are not obliged to contact you to alert you that the domain name registration services are or were auctioned. You acknowledge that we do not have to pay you any of the proceeds, if any, we may earn as a result of such an auction. To exercise your rights to recover auctioned domain name services, you must contact us and provide us with a certified letter addressed to "Expiration Recovery" and including documents setting forth your identity and address, which identity and address must be the same as that of the registrant as it was listed in the WHOIS information for the domain name services prior to expiration, a copy of a commonly accepted (in the United States) picture ID (such as a drivers license or passport) which supports your identity and address claim, a front and back photocopy of your credit card and you must a statement authorizing payment of the reinstatement fee to such credit card, which is \$200 plus any registration fees. In doing so, you must provide us with sufficient time to allow us to receive and evaluate your documents and to contact the auction winner prior to the end of 30 days after the end of the reactivation period of the domain name services.

## 23. LIMITATION OF LIABILITY

YOU AGREE THAT WE WILL NOT BE LIABLE FOR ANY (1) SUSPENSION OR LOSS OF THE SERVICE(S), INCLUDING, WITHOUT LIMITATION, DOMAIN NAME REGISTRATION SERVICES,

(2) USE OF THE SERVICE(S), INCLUDING, WITHOUT LIMITATION DOMAIN NAME REGISTRATION SERVICES, (3) INTERRUPTION OF OUR SERVICES OR INTERRUPTION OF YOUR BUSINESS, (4) ACCESS DELAYS OR ACCESS INTERRUPTIONS TO OUR WEB SITE(S) OR SERVICE(S) OR DELAYS OR ACCESS INTERRUPTIONS YOU EXPERIENCE IN RELATION TO A DOMAIN NAME REGISTERED WITH US; (5) LOSS OR LIABILITY RESULTING FROM ACTS OF OR EVENTS BEYOND OUR CONTROL (6) DATA NON-DELIVERY, MIS-DELIVERY, CORRUPTION, DESTRUCTION OR OTHER MODIFICATION; (7) THE PROCESSING OF AN APPLICATION FOR A DOMAIN NAME REGISTRATION; (8) LOSS OR LIABILITY RESULTING FROM THE UNAUTHORIZED USE OR MISUSE OF YOUR ACCOUNT IDENTIFIER OR PASSWORD; OR (9) APPLICATION OF THE DISPUTE POLICY. YOU ALSO AGREE THAT WE WILL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING LOST PROFITS) REGARDLESS OF THE FORM OF ACTION WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL OUR MAXIMUM AGGREGATE LIABILITY EXCEED THE TOTAL AMOUNT PAID BY YOU FOR REGISTRATION OF THE DOMAIN NAME. BECAUSE SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, IN SUCH STATES, OUR AND/OR YOUR PRIMARY SERVICE PROVIDER'S LIABILITY SHALL BE LIMITED TO THE MAXIMUM EXTENT PERMITTED BY LAW.

## 24. Indemnity and defense

With respect to ICANN, the registry operators, and Namecheap, as well as the contractors, agents, employees, officers, directors, shareholders, and affiliates of such parties, you agree to defend, release, indemnify, and hold such parties harmless from all liabilities, claims and expenses, including attorney's fees and court costs, for third party claims relating to or arising under this Agreement, the Service(s) provided hereunder, or your use of the Service(s), including, without limitation, infringement by you, or by anyone else using the Service(s) we provide to you, of any intellectual property or other proprietary right of any person or entity, or from the violation of any of our operating rules or policies relating to the Service(s) provided. When we may be involved in a suit involving a third party and which is related to our Service(s) to you under this Agreement, we may seek written assurances from you in which you promise to defend, indemnify and hold us harmless from the costs and liabilities described in this paragraph. Such written assurances may include, in our sole discretion, the posting of a performance bond(s) or other guarantees reasonably calculated to guarantee payment. Your failure to provide such assurances may be considered by us to be a breach of this Agreement by you and may, in our sole discretion, result in loss of your right to control the disposition of domain name services for which you are the registrant and in relation to which we are the registrar of record. Moreover, should we be forced to defend ourselves in any action or legal proceeding in connection with any Service(s) provided to you, you shall have sole responsibility to defend us against any such claim by the legal counsel of our choosing. This indemnification is in addition to any indemnification required under the UDRP. The terms of this paragraph will survive any termination or cancellation of this Agreement.

## 25. Indemnification of registry operators

You further agree to indemnify, defend and hold harmless all applicable registry administrator(s) (including Verisign Inc., Neulevel, Inc., Public Interest Registry, Afiliat Limited, and other registry operators listed at <http://www.icann.org/registries/listing.html>) and all such parties' directors, officers, employees, and agents from and against any and all claims, damages, liabilities, costs, and expenses (including any direct, indirect, incidental, special or consequential damages and reasonable legal fees and expenses) arising out of, or related to, the domain name registration services you are obtaining from us.

## 26. REPRESENTATIONS AND WARRANTIES

YOU REPRESENT THAT, TO THE BEST OF YOUR KNOWLEDGE AND BELIEF, NEITHER THE REGISTRATION OF A DOMAIN NAME NOR THE MANNER IN WHICH IT IS DIRECTLY OR INDIRECTLY USED NOR THE USE OF OTHER OF THE SERVICE(S) INFRINGES THE LEGAL RIGHTS OF A THIRD PARTY. YOU FURTHER REPRESENT AND WARRANT THAT ALL INFORMATION PROVIDED BY YOU IN CONNECTION WITH YOUR PROCUREMENT OF THE SERVICE(S) IS ACCURATE. ALL SERVICE(S) ARE PROVIDED TO YOU "AS IS" AND WITH ALL FAULTS. EXCEPT FOR OUR STATEMENT REGARDING OUR ACCREDITATION AS ICANN-APPROVED DOMAIN NAME REGISTRAR, WE MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, IN CONNECTION WITH THIS AGREEMENT OR THE SERVICE(S), INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, UNLESS SUCH REPRESENTATIONS AND WARRANTIES ARE NOT LEGALLY EXCLUDABLE. WITHOUT ANY LIMITATION TO THE FOREGOING, WE MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER THAT REGISTRATION OR USE OF A DOMAIN NAME UNDER THIS AGREEMENT WILL IMMUNIZE YOU EITHER FROM CHALLENGES TO YOUR DOMAIN NAME REGISTRATION, OR FROM SUSPENSION, CANCELLATION OR TRANSFER OF THE DOMAIN NAME REGISTERED TO YOU. YOU UNDERSTAND AND AGREE THAT ANY MATERIAL AND/OR DATA DOWNLOADED OR OTHERWISE OBTAINED THROUGH THE USE OF OUR E-MAIL FORWARDING OR OTHER EMAIL SERVICE IS DONE AT YOUR OWN DISCRETION AND RISK AND THAT YOU WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE TO YOUR COMPUTER SYSTEM OR LOSS OF DATA THAT RESULTS FROM THE DOWNLOAD OF SUCH MATERIAL AND/OR DATA. WE MAKE NO WARRANTY REGARDING ANY GOODS OR SERVICES PURCHASED OR OBTAINED THROUGH OUR E-MAIL SERVICE(S) OR ANY TRANSACTIONS ENTERED INTO THROUGH OUR E-MAIL SERVICE(S). NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM US SHALL CREATE ANY WARRANTY NOT EXPRESSLY MADE HEREIN. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES, SO SOME OF THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU.

## 27. Additional reservation of rights

Namecheap expressly reserves the right to deny, cancel, terminate, suspend, lock, or modify access to (or control of) any account or any Services (including the right to cancel or transfer

any domain name registration) for any reason (as determined by Namecheap in its sole and absolute discretion), including but not limited to the following: (i) to correct mistakes made by Namecheap in offering or delivering any Services (including any domain name registration); (ii) to protect the integrity and stability of, and correct mistakes made by, any domain name registry; (iii) to assist with our fraud and abuse detection and prevention efforts; (iv) to comply with applicable local, state, national and international laws, rules and regulations; (v) to comply with requests of law enforcement, including subpoena requests; (vi) to comply with any dispute resolution process; (vii) to defend any legal action or threatened legal action without consideration for whether such legal action or threatened legal action is eventually determined to be with or without merit, or (viii) to avoid any civil or criminal liability on the part of Namecheap, its officers, directors, employees and agents, as well as Namecheap's affiliates.

## 28. Governing law and jurisdiction for disputes

Except as otherwise set forth in the UDRP or any similar ccTLD policy with respect to any dispute over a domain name registration this Agreement, your rights and obligations and all actions contemplated by this Agreement shall be governed by the laws of the United States of America and the State of California. You agree that any action brought by you to enforce this Agreement or any matter brought by you and which is against or involves us and which relates to your use of the Services shall be brought exclusively in the United States District Court for the Central District of California, or if there is no jurisdiction in such court, then in a state court in Los Angeles County, State of California. You consent to the personal and subject matter jurisdiction of any state or Federal court in Los Angeles County, State of California in relation to any dispute between you and us under this Agreement. You agree that service of process on you by us in relation to any dispute arising under this Agreement may be served upon you by first class mail to the address listed by you in your account and/or domain name WHOIS information or by electronically transmitting a true copy of the papers to the email address listed by you in your account and/or domain name WHOIS information.

YOU AGREE TO WAIVE THE RIGHT TO TRIAL BY JURY IN ANY PROCEEDING THAT TAKES PACE RELATING TO OR ARISING OUT OF THIS AGREEMENT.

## 29. Notices

You agree that any notices required to be given under this Agreement by us to you will be deemed to have been given if delivered in accordance with the account and/or domain name WHOIS information you have provided.

## 30. Legal Age

You attest that you are of legal age to enter into this Agreement.

## 31. Final Agreement

This Agreement, the referenced agreements, the ICANN Policy and the UDRP, together with all modifications, constitute the complete and exclusive agreement between you and us, and supersede and govern all prior proposals, agreements, or other communications, subject to the terms set out in Section 2 above. This Agreement may not be amended or modified by you except by means of a written document signed by both you and an authorized representative of us.

## 32. No Agency Relationship

Nothing contained in this Agreement shall be construed as creating any agency, partnership, or other form of joint enterprise between the parties hereto. Each party shall ensure that the foregoing persons shall not represent to the contrary, either expressly, implicitly, by appearance or otherwise.

## 33. Waiver

The failure of us to require your performance of any provision hereof shall not affect the full right to require such performance at any time thereafter; nor shall the waiver by us of a breach of any provision hereof be taken or held to be a waiver of the provision itself.

## 34. Enforceability

In the event that any provision of this Agreement shall be unenforceable or invalid under any applicable law or be so held by applicable court decision, such unenforceability or invalidity shall not render this Agreement unenforceable or invalid as a whole. We will amend or replace such provision with one that is valid and enforceable and which achieves, to the extent possible, our original objectives and intent as reflected in the original provision.

## 35. Assignment and Resale

Except as otherwise set forth herein, your rights under this Agreement are not assignable or transferable. Any attempt by your creditors to obtain an interest in your rights under this Agreement, whether by attachment, levy, garnishment or otherwise, renders this Agreement voidable at our option. You agree not to reproduce, duplicate, copy, sell, resell or otherwise exploit for any commercial purposes any of the Services (or portion thereof) without Namecheap's prior express written consent.

## 36. Force Majeure

Neither party shall be deemed in default hereunder, nor shall it hold the other party responsible for, any cessation, interruption or delay in the performance of its obligations hereunder due to causes beyond its control including, but not limited to: earthquake; flood; fire; storm; natural disaster; act of God; war; terrorism; armed conflict; labor strike; lockout; boycott; supplier failures, shortages, breaches, or delays; or any law, order regulation,

direction, action or request of the government, including any federal, state and local governments having or claiming jurisdiction over Namecheap, or of any department, agency, commission, bureau, corporation or other instrumentality of any federal, state, or local government, or of any civil or military authority; or any other cause or circumstance, whether of a similar or dissimilar nature to the foregoing, beyond the reasonable control of the affected party, provided that the party relying upon this section (i) shall have given the other party written notice thereof promptly and, in any event, within five (5) days of discovery thereof and (ii) shall take all steps reasonably necessary under the circumstances to mitigate the effects of the force majeure event upon which such notice is based; provided further, that in the event a force majeure event described in this Section extends for a period in excess of thirty (30) days in the aggregate, Namecheap may immediately terminate this Agreement.

## 37. Headings

The section headings appearing in this Agreement are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or extent of such section or in any way affect such section.

## Our company / Social Responsibility

- Since 2005 Ritzio has been providing active support to the Paralympic movement and sportsmen with disabilities. A long-term partnership between Ritzio and the Russian Paralympic Committee began with the company's sponsorship of the Russian national team at the 2006 Winter Paralympic Games in Turin.

In early 2007 Ritzio International President Oleg Boyko became the head of the Paralympic Movement Development Commission within the Russian Paralympic Committee.

At the same time he established the **Paralympic Sports Foundation (Parasport)**, a non-profit charitable foundation organized to support training and competition for athletes with disabilities.

- Parasport serves as a long-term source of financial assistance to athletes with physical and sensory impairments. The foundation, both in its role as a founding sponsor of the Paralympic Movement and through a variety of other fund-raising initiatives:
  - supports paralympic athletes in their participation in sports and social activities
  - provides financial support directly to promising athletes
  - stimulates public policy discussion and promotes sports among disabled individuals and groups
  - helps to enact measures to advance the prominence of paralympic sports in the country

### Ritzio's President Receives Charity Award

06 February 2009

- Ritzio International announces that the company's President, Oleg Boyko, was granted a special award in recognition of his diverse charity practices and the company's outstanding efforts in corporate social responsibilities. The Heart Award was presented at the annual International Gaming Awards ceremony in London, England on January 26th at the Millennium Gloucester Hotel.

"The IGA's Heart Award recognises individuals from the Gaming/Leisure Industry that take time to help others without any recognition or reward for themselves, as examples to others to also involve themselves in helping their fellow humans", commented Colin Thompson, the Co-Founder of the International Gaming Awards (IGA). "The IGA strongly felt after hearing that Mr. Oleg Boyko had spent much of his time and effort in helping others strive to achieve their goals in the face of the their own disabilities. That the IGA should recognize Mr Boyko's great compassion and care for others".

- As one of the largest international gaming companies in the world, Ritzio has a long-term commitment to corporate social responsibility. Since 2005 the company and its President, Oleg Boyko, have been actively supporting Paralympic sports by providing sufficient funding and charitable programs to several National Paralympic Committees and countries, and individual Paralympic athletes. In 2007 Oleg Boyko initiated a launch of International Parasport Foundation to support and promote Paralympic movement internationally. Ritzio's engagement in a children cancer fundraising programme "Billion in small notes" and placement of donation boxes in Vulcan gaming clubs encourages gaming clubs visitors to contribute to treatment of sick children.
